

DR. SANJOY BASU

Senior Consultant and Clinical Lead - Department of Medical Gastroenterology

Qualification

MBBS | MRCP (London) | FRCP (Edin) | PG Diploma in Gastroenterology

Overview

Dr. Sanjoy Basu is a renowned Gastroenterologist and Interventional Endoscopist at Manipal Hospitals Mukundapur, Kolkata, with over 23 years of medical experience, including 12+ years of specialised expertise in Gastroenterology and Interventional Endoscopy. He has extensive expertise in diagnosing and managing a wide range of gastrointestinal conditions, including peptic ulcer disease, non-ulcer dyspepsia, irritable bowel syndrome (IBS), and inflammatory bowel disease (IBD). Dr. Basu is also highly experienced in treating hepatobiliary disorders, such as viral hepatitis, non-alcoholic fatty liver disease (NAFLD), and alcoholic liver disease. He completed his MBBS in India and went on to pursue a Postgraduate Diploma in Gastroenterology from Queen Mary University of London, graduating with distinction. His academic excellence earned him Membership of the Royal Colleges of Physicians (MRCP), London and Edinburgh. He was further honoured with the Fellowship of the Royal College of Physicians (FRCP), Edinburgh, recognising his significant contributions and expertise in the field of medicine. Dr. Basu is also an examiner for the MRCP, London, reflecting his respected standing in the

international medical community and his contribution to medical education. He has completed nine years of advanced clinical training in London, specialising in Gastroenterology, Interventional Endoscopy, and General Medicine, gaining extensive international experience. He holds international certifications in advanced endoscopic techniques, including accreditation from the UK-based Joint Advisory Group (JAG) for diagnostic and therapeutic GI endoscopy. Dr. Basu's specialised training also includes certifications from Ecosense, Paris, in Capsule Endoscopy, BRAVO technique, and diagnostic elastography (FibroScan). He is also skilled in endosonography (EUS). In addition to serving patients across India, he also provides consultations for patients from Bangladesh, helping expand access to specialised gastroenterology care. Fluent in English, Hindi, and Bengali, he ensures clear communication and compassionate care for patients from diverse backgrounds. With his vast experience, international training, and patient-centric approach, Dr. Sanjoy Basu is widely regarded as one of the best gastroenterologists in Mukundapur, Kolkata.
