

DR. PAROMITA ROY

Consultant - Paediatrics

Qualification

MBBS | MD (Paediatrics)

Overview

Dr. Paromita Roy is a distinguished paediatrician serving as a consultant at Manipal Hospitals, Mukundapur with over 25 years of experience in the field, offering comprehensive paediatric care to her patients. Before making a valuable name in this field, Dr. Roy acquired knowledge through the completion of her MBBS and MD degrees in paediatrics, and valuable expertise gained during her tenure as a Registrar. With her expertise in neonatology, she actively participates in labour room duties and caesarean section procedures, ensuring the well-being of both newborns and mothers. Specialising in paediatrics, neonatology, immunology, growth and development, and adolescents clinic, Dr. Roy provides holistic care to children of all ages, from infancy through adolescence. She is the top Paediatrician in Mukundapur, Kolkata. Her dedication to the field is evident in her active involvement in professional organisations such as the Indian Academy of Paediatrics (IAP), where she continually updates her knowledge and skills to provide the best possible care to her patients. Dr. Roy's commitment to excellence extends beyond her clinical practice. She is deeply involved in teaching and mentoring medical students, interns,

and postgraduate trainees, guiding them to become competent paediatricians. Additionally, she actively participates in research and academic activities that contribute to the advancement of paediatric medicine and improve patient outcomes. Dr. Roy has developed her proficiency in paediatric care by conducting thorough healthcare assessments and meticulously managing health issues. Recognised for her excellence in paediatric allergy and asthma she delivers healthcare services with professionalism and compassion. Additionally, Dr. Roy offers comprehensive care for conditions such as fungal infections, delayed sleep phase disorder, bronchopulmonary dysplasia, and others. She offers consultations in English, Bengali, and Hindi, facilitating effective communication with her patients from diverse populations. With a wealth of experience and respect among peers, Dr. Roy promises a calm, friendly, and approachable atmosphere to her patients at Manipal Hospitals, Mukundapur
