

DR. SOHAM MANDAL

Consultant - Orthopaedics & Joint Replacement Surgeon

Qualification

MBBS | DNB (Orthopaedics) | MNAMS

Overview

Dr. Soham Mandal is a well-known consultant specialist in the Department of Orthopaedics and Joint Replacement at Manipal Hospitals, Mukundapur, Kolkata, with an overall experience of 12 years, including 6 years of dedicated focus in the speciality. Dr. Mandal’s initial steps into the medical field were marked by his completion of a Bachelor of Medicine and Bachelor of Surgery (MBBS) from Medical College, Calcutta, followed by a Diplomate of National Board (DNB) in Orthopaedics obtained from the National Board of Education (NBE). Dr. Mandal further broadened himself in the domain by earning several fellowships, notably from the National University Hospital (NUH), Singapore, in Arthroplasty and Adult Reconstruction; the Gottfried Wilhelm Leibniz University Hannover (GOH), Germany, in Arthroscopy and Sports Surgery; and a Travelling Fellowship received from the West Bengal Orthopaedic Association (WBOA), solidifying him as a leading expert in carrying out complex orthopaedic procedures. Dr. Mandal’s speciality involves addressing simple to severe joint conditions caused by autoimmune diseases, trauma, and other factors, employing cutting-edge techniques such as Minimally Invasive Joint

Replacement Surgeries in Knee, Hip, Shoulder, and Elbow, Arthroscopy, Sports Surgery, Pelviacetabular and Hip Surgery, and Hand Surgery, establishing him as the best arthroscopic and joint replacement surgeon in Kolkata. He is also adept at treating joint conditions affecting children, as well as performing Deformity Corrections for those with congenital musculoskeletal diseases. Moreover, Dr. Mandal is an expert in Ilizarov Technique, providing a versatile solution for patients with complex orthopaedic problems that cannot be treated with conventional techniques. He is the best Orthopaedic Surgeon Doctor in Kolkata. Apart from the clinical domain, Dr. Mandal is a member of several distinguished societies, including the Indian Orthopaedic Association (IOA), the Knee and Shoulder Society (KASS), the West Bengal Arthroscopy Society (WBAS), the National Academy of Medical Sciences (MNAMS), and has been a member of the Executive Committee of the WBOA, underscoring his leadership skills. He has also published many articles in several reputed journals and was awarded ‘Best Paper’ at various national and state conferences. Dr. Mandal is multilingual and speaks English, Hindi, and Bengali, enabling him to foster effective communication with patients from different cultural and linguistic backgrounds.
