

## **DR. SHUBHAYU BANERJEE**

Consultant - General and Laparoscopic GI and Oncology Surgeries

### **Qualification**

MBBS | MRCS | FRCS | CCST

### **Overview**

Dr. Shubhayu Banerjee is a distinguished consultant at Manipal Hospitals, Mukundapur, boasting a wealth of experience spanning over 20 illustrious years in the domains of General, Gastrointestinal (GI), and Oncosurgery. Renowned for his expertise in Advanced Laparoscopic, Bariatric, and Gastrointestinal surgeries, Dr. Banerjee's focus lies in complex Laparoscopic Procedures and addressing a variety of gastrointestinal conditions with precision and finesse. Dr. Banerjee's breadth of expertise includes a spectrum of specialised areas within his field. Notably, he excels in Laparoscopic colorectal cancer interventions, GI cancer resections, adept management of complex fistulas, and comprehensive treatment strategies for inflammatory bowel diseases. His dedication to excellence is reflected in his academic journey, which includes the attainment of the prestigious Membership of the Royal College of Surgeons (MRCS) from the United Kingdom, followed by the completion of Fellowships of the Royal College of Surgeons (FRCS) and CCST Certifications. The best gastroenterologist in Kolkata's professional trajectory is marked by a diverse range of practice settings, ranging from district general

hospitals to tertiary referral units. This extensive exposure has honed his versatility in patient management and clinical decision-making, equipping him with a nuanced understanding of the complexities inherent in delivering optimal healthcare across various contexts. Dr. Banerjee's unwavering commitment to advancing patient care and his steadfast pursuit of excellence underscore his status as a respected authority in the realm of General, GI, and Oncosurgery. Dr. Shubhayu Banerjee is fluent in Bengali, English, and Hindi. His linguistic abilities enable effective communication with patients from various linguistic backgrounds, ensuring clear understanding and personalised care.

### **Fellowship & Membership**

- Membership of the Royal College of Surgeons of England (MRCS)
- Fellowship of the Royal Colleges of Surgeons (FRCS)
