

DR. SHILPITA BANERJEE

Consultant - Gynaecology Obstetric and Fetal Medicine

Qualification

MBBS | MS (Obstetrics and Gynaecology) | FNB (High risk pregnancy & Perinatology)

Overview

Dr. Shilpita Banerjee is a highly esteemed gynaecologist and obstetrician in the Department of Obstetrics and Gynaecology at Manipal Hospitals, Mukundapur, Kolkata, boasting over 22 years of extensive experience in the field. She completed her MBBS from Calcutta University and pursued an MS in Obstetrics and Gynaecology from the West Bengal University of Health Sciences. Dr. Banerjee's expertise spans across various specialised domains, including IVF and infertility, Urogynaecology, Vulvology, Foetal Medicine, Gynaecological Endoscopy, and Gynae-Oncology. She is the Best Gyno in Kolkata. With a profound interest in gynaecology and obstetrics, Dr. Banerjee remains at the forefront of advancements in women's healthcare. She has received appreciation throughout her career, securing the 1st prize in a poster competition for Foetal Medicine update in 2011, held in Hyderabad. Additionally, she has presented papers at prestigious conferences like the All India Congress of Obstetrics and Gynaecology (AICOG), and contributed to publications in the Federation of Obstetric and Gynaecological Societies of India (FOGSI) journals, making significant contributions to the medical literature. Dr. Banerjee's

commitment to excellence is further evidenced by her memberships in professional organisations such as the Bengal Obstetrics & Gynaecological Society (BOGS), the Indian Society for Assisted Reproduction (I.S.A.R), the Society of Foetal Medicine (SFM), and the American Society of Foetal and Maternal Medicine. She has attained specialisation in Obstetrics (high-risk pregnancy), Perinatology, Gynaecological surgery, Endoscopic surgery, Invasive procedures, Obstetrics USG imaging, Colposcopy, Infertility treatments, Maternal Foetal Medicine, Foetal procedures, and Genetics. To attain excellence in her field, she has further pursued specialised training, including a Post-Doctoral Fellowship in high-risk pregnancy, a Fellowship in Gynaecological endoscopy from the Women's Health Initiative Training Program- STORZ, and a Colposcopy Fellowship from the World Health Organization - Chittaranjan National Cancer Institute. Dr. Banerjee has also completed a certified course in Cardiotocography (CTG) from K2MS, England. Dr. Banerjee prioritises personalised care in her practice, ensuring each patient receives tailored treatment plans to address their unique healthcare needs. She is also proficient in the languages of Hindi, English, and Bengali, and her multilingual expertise and fluency foster effective communication with her patients, creating a compassionate and supportive environment for their medical journey.
