

DR. ANUP BANERJI

Consultant - Interventional Cardiology

Qualification

MBBS | MD (General Medicine) | DM (Cardiology)

Overview

Dr. Anup Banerji is an esteemed visiting interventional cardiologist in the Department of Cardiology at Manipal Hospitals, Mukundapur, Kolkata, with a wealth of experience spanning over 41 years in Medicine and 25 years in Cardiology. Following the completion of his Bachelor of Medicine and Bachelor of Surgery (MBBS) degree, Dr. Banerji pursued further specialisation, obtaining an MD in General Medicine and a DM in Cardiology. With these credentials, Dr. Banerji is bestowed with a wealth of experience and expertise in the field of cardiology. Recognised for his exceptional skills in conducting various intricate cardiac procedures, he is widely regarded as one of the most expert cardiac specialists in the country. His exceptional contributions to the medical field have been recognised with the prestigious 'Param Vishisht Seva Medal,' one of the highest military honours in India, for his outstanding services in the Indian army. Throughout his distinguished career, Dr. Banerji has been associated with esteemed institutions, serving as a professor of General Medicine and Cardiology. With a strong dedication to his profession, he specialises in a wide array of interventional cardiology procedures, including Complex

Angioplasty, Balloon Mitral Valvuloplasty (BMV), Structural Interventions, Pacemaker Implantation, Cardiac Resynchronisation Therapy (CRT), Coiling, and Peripheral Interventions. Dr. Banerji's commitment to advancing medical knowledge is evident in his contributions to indexed journals and CSI update books, where he has authored several articles and chapters. His expertise in complex structural interventions and mechanical circulatory support further enhances his practice. As a visiting interventional cardiologist, Dr. Banerji continues to uphold the highest standards of cardiac care, providing expert diagnosis, treatment, and management for patients with various cardiac conditions. His dedication to the field is further demonstrated by his active involvement as a lifetime member of the Cardiological Society of India (CSI) and an executive member of the Council of the National Board of Examinations (NBE). Fluent in English, Hindi, and Bengali, he ensures effective communication with his patients, fostering trust and understanding. Dr. Banerji's unwavering commitment to excellence and patient-centred care has earned him immense respect and admiration in the medical community and beyond.
