

DR. DIVYADEEP SANDHU

Consultant Psychiatrist

Qualification

MBBS | MD Psychiatry | Certified in Clinical Psychology and Sexual Medicine

Overview

Dr. Divyadeep Sandhu is a distinguished consultant in the Psychiatry Department at Manipal Hospitals, Mukundapur. He has an overall experience of 20 years and brings a wealth of experience and expertise to his practice. He completed his MBBS and further pursued MD Psychiatry. He is also certified in Clinical Psychology and Sexual Medicine equipping him with a strong academic foundation to offer comprehensive and compassionate psychiatric care to address various mental health conditions. As a qualified neuropsychiatrist, Dr. Sandhu is adept at treating patients with diverse conditions. His expertise includes Neuro-psychiatry, Geriatric Psychiatry, Child and Adolescent Mental Health, Substance Use Disorders, Psycho-sexual Medicine, Pain Medicine, and Clinical Psychology. He effectively treats various psychiatric disorders, including but not limited to anxiety disorders, mood disorders, psychotic disorders, and personality disorders. He provides well-rounded and culturally sensitive care with a commitment to providing first-rate emotional support to patients and family members. Dr. Sandu regularly provides outpatient department (OPD) and inpatient (IPD) services, especially in the Neuro ICU (Intensive Care

Unit) and High-Dependency Unit (HDU), along with the rest of the hospital wards at Manipal. His in-depth knowledge of varied psychiatric conditions and treatment plans is complemented by his recognition from the Government of India for training district health professionals in Chhattisgarh. He is also an active part of several esteemed organisations like the Indian Medical Association and the Indian Psychiatric Society. In addition to his clinical practice, he is also a keen academic, teaching postgraduate trainees (MD Psychiatry), MBBS, nursing, and psychology students. As the best Neuro Psychiatrist in Kolkata, he contributes to the telemedicine hub of the health department, helping primary and rural health centres with patients. Dr. Sandhu's dedication to providing personalised treatment plans ensures the highest standard of mental health care, making him a respected figure in the field.
