

DR. RANA SAHA

Consultant - Paediatrician (Specialisation in Paediatric Nephrology)

Qualification

MBBS | DCH (Cal) | MRCPCH (UK) | CCT (Paediatrics, UK) | FRCPCH (UK)

Overview

Dr. Rana Saha is an esteemed consultant in the Department of Paediatrics and Paediatric Nephrology at Manipal Hospitals, Mukundapur, Kolkata, bringing an overall experience of 25 years in the medical field, including 22 years of focus on the speciality. Dr. Saha started his medical career by completing his Bachelor of Medicine and Bachelor of Surgery (MBBS) from Medical College, Kolkata, followed by a Diploma in Child Care (DCH) at the University of Calcutta. Dr. Saha later shifted to the UK, where he practised at many eminent National Health Services (NHS) hospitals, including university and tertiary hospitals. He further broadened his expertise during his career in the UK, obtaining a Certificate of Completion of Training (CCT) in Paediatrics, and earning a fellowship from the Royal College of Paediatrics and Child Health, UK. (FRCPCH) before his return to India. He is the best Pediatric Doctor in Kolkata. Dr. Saha’s expertise involves addressing a spectrum of diseases affecting paediatric and neonates, especially those involving the kidney, such as complex urinary tract infections (UTI), nephrotic syndrome, glomerulonephritis, acute kidney injury (AKI), and haematuria. He is also proficient in employing

minimally invasive diagnostic procedures, such as US-guided Biopsy and Micturating Cystourethrogram (MCUG), and treatment interventions, including Renal Replacement Therapies. Apart from Dr. Saha's expertise in the clinical domain, he is a member of eminent societies such as the Indian Academy of Paediatrics (IAP), the Indian Society of Paediatric Nephrology, and the Royal College of Paediatrics and Child Health (RCPCH). Furthermore, he has published several papers in national and international journals and contributed his knowledge to some of the Paediatrics and Paediatric Nephrology textbooks. He has also presented and actively participated in many regional, state, national, and international conferences. Fluent in the languages of Bengali, Hindi, and English, Dr. Saha fosters a positive relationship between him and his patients, enabling him to deliver compassionate and comprehensive care.
