

DR. RUNA MAJUMDAR

Consultant Paediatrician

Qualification

MBBS | DCH | MRCPCH | MMEDSci (Child Health) | FRCPCH | CCST (UK)

Overview

Dr. Runa Majumdar is a highly esteemed consultant paediatrician at Manipal Hospitals, Mukundapur, Kolkata, renowned for her extensive 26-year career in Paediatrics. She completed her MBBS from North Bengal Medical College and honed her skills as a senior house officer (SHO) at prominent hospitals in Kolkata. Subsequently, Dr. Majumdar pursued advanced training in the United Kingdom, where she gained profound expertise in General Paediatrics, Neonatology, Paediatric Surgery, Neurology, and other specialised areas during her tenure at esteemed institutions like Sheffield Children's Hospital and Leeds Teaching Hospitals NHS Trust. Her pursuit of excellence led her to attain diplomas in Child Health (DCH) and membership in the Royal College of Paediatrics and Child Health (MRCPCH), further augmenting her proficiency in paediatric care. Dr. Majumdar is dedicated to continuous professional development, evident through her completion of a Masters in Medical Sciences (MMedSci) in Child Health from Leeds University and a postgraduate diploma in Nutrition from Boston University. She focuses particularly on Paediatric Diabetes and Growth Disorders, contributing significantly to research and clinical practice in

these fields. Dr. Majumdar is an active member of prestigious societies such as the Royal College of Paediatrics and Child Health (UK) as both a member and fellow and holds life membership in the Indian Academy of Paediatrics (IAP) and the Adolescent Health Academy (AHA) of East Zone. She is also affiliated with the Indian Society of Paediatric and Adolescent Endocrinology (ISPAE), showcasing her commitment to advancing paediatric healthcare. Fluent in English, Hindi, and Bengali, Dr. Majumdar ensures effective communication with a diverse patient population, fostering trust and understanding in her medical practice. Her expertise and compassionate approach make her a trusted paediatrician dedicated to enhancing the well-being of the children under her care. Dr. Majumdar's impact extends beyond her role as a paediatrician; she is a respected leader in her field, advocating for children's health and well-being at local, national, and international levels. As the best general paediatric doctor in Kolkata, her holistic approach to paediatric care, scholarly contributions, and mentorship exemplify her unwavering commitment to excellence in Paediatrics.
