

DR. SHOUVIK GHOSH

Consultant - Dermatology Specialist

Qualification

MBBS | MD (Dermatology, Venerology, and Leprosy)

Overview

Dr. Shouvik Ghosh is a dedicated and promising consultant specialist serving in the Department of Dermatology at Manipal Hospitals, Mukundapur, Kolkata, with a total experience of 15 years, including 10 years as a specialist in the field. Dr. Ghosh started his medical career by completing his Bachelor of Medicine and Bachelor of Surgery (MBBS), followed by a Doctor of Medicine (MD) in Dermatology, Venerology, and Leprosy from the West Bengal University of Health Sciences (WBUHS). He further expanded his expertise by earning a Fellowship in Cutaneous and Laser Surgery from the Institute of Dermatology, Bangkok, and was selected as an attending fellow for the European Academy of Dermatology and Venereology (EADV) meeting held in Geneva. Dr. Ghosh worked under many eminent specialists, including Dr. Subramta Malakar, where he honed himself in the basics of Dermatosurgery, Dr. Jinda, and several foreign specialists, enabling him to gain a broad perspective and deepen his skill in complex dermatological procedures. He is the Best Dermatologist in Kolkata. Dr. Ghosh’s specialisation encompasses Clinical and Paediatric Dermatology, and Cosmetology, and can address several dermatology

problems, including psoriasis, pigmentary disorders, and fungal infections seen in hair, skin, and nails. He prioritises employing advanced therapeutic and minimally invasive interventions, such as Laser Surgery Treatment, Acne Scar Removal, Chemical Peeling, and Botox Therapy, to enhance patient outcomes and assist them in improving their overall quality of life and self-confidence. Dr. Ghosh is a member of the Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL), helping him stay abreast of the advancements made in the field, as well as partnering with distinguished specialists. He has also published several papers in many national and international journals, underscoring his expertise and contribution to the scientific community. With a strong command of English, Hindi, and Bengali, Dr. Ghosh effectively interacts with patients from various linguistic and cultural backgrounds, allowing him to provide personalised medical care.
