

DR. UPAL SENGUPTA

Director - Team Nephrology & Consultant - Nephrology & Kidney Transplant

Qualification

MBBS | MD | DM Nephrology | FICP Perceptership in ABO incompatible kidney transplant

Overview

Dr. Upal Sengupta is a director of Team Nephrology & Consultant - Nephrology & Kidney Transplant at Manipal Hospitals, Mukundapur. With over 17 years of clinical experience, Dr. Sengupta is recognised for his clinical acumen, particularly in complex Kidney Transplantation and Critical Care Nephrology. Dr. Sengupta completed his MBBS, followed by an MD in Internal Medicine. He later earned a DM in Nephrology from PGIMER Chandigarh and underwent advanced training in ABO-incompatible Transplants in Tokyo, Japan. Dr. Sengupta is also a fellow of the Indian College of Physicians (FICP). As a leading and well-known nephrologist in the region, Dr. Sengupta's key focus areas include treating several complex kidney disorders. These include managing kidney failure in cardiac and liver disease patients and treating glomerular diseases (e.g., SLE and vasculitis). During his tenure, he has completed more than 200 Kidney Transplantations, including ABO-incompatible and highly sensitised transplants. His work also includes elderly kidney care, management of diabetes-related kidney disease at all stages, and CKM (Cardio-Kidney Metabolic) care.

Over the years, Dr. Sengupta has held several key leadership roles. He served as the Head of the Department of Nephrology and has worked at many renowned institutions across Kolkata. His pioneering research on Stem Cell Therapy in glomerulonephritis has received international recognition. Moreover, he was invited to present at several national and global nephrology conferences. Dr. Sengupta chaired the Scientific Committee of the East Zone Conference of the Indian Society of Nephrology (ISNEZCON) 2024 and was the Co-organising Secretary of HOPECON 2025. In addition, Dr. Sengupta has authored numerous publications in several national and international journals. Some of these include BMC Nephrology, Indian Journal of Nephrology, and Journal of the Indian Medical Association, among others. His research spans diverse topics, from transplant outcomes and chronic kidney disease to emerging therapies like Bone Marrow Mononuclear Cell Infusion. Dr. Sengupta's clinical expertise has been widely recognised and celebrated. Notably, he received the Manav Seva Samman from the Governor of Chandigarh in 2012 for his service in the field. He is the best Kidney Specialist in Mukundapur, Kolkata. Fluent in Bengali, Hindi, English, and Punjabi, Dr. Sengupta's treatment approach is based on clinical precision, open communication, and collaborative decision-making. He takes time to understand each patient's concern and works closely with them to ensure the best results. As the director of Manipal's Nephrology Department, he also ensures the highest standards of care and continuous medical education for clinical staff. Dr. Sengupta's compassionate care, combined with clinical acumen, makes him a trusted name in the field of Nephrology.

Fellowship & Membership

- Fellowship of the Indian College of Physicians (FICP)
- Member of the Indian Society of Nephrology (ISN)
- Member of the American Society of Nephrology (ASN)
- Member of the European Renal Association (ERA)

Field of Expertise

- Specialises in Nephrology, with clinical focus areas including chronic kidney disease, glomerular diseases (e.g., SLE, vasculitis), diabetic kidney disease (from early stages to advanced), and kidney care for the elderly.
- Expert in Kidney Transplants, including ABO-incompatible and highly sensitised transplants, with long-term experience in managing post-transplant infections and graft dysfunction.
- Extensive experience in Critical Care Nephrology, particularly in treating kidney failure in patients with heart or liver diseases
- Special interest in Cardio-Kidney-Metabolic (CKM) care, with a focus on the integrated management of cardiovascular, renal, and metabolic disorders.
- Skilled in Interventional Nephrology, such as Renal Biopsies, AV Fistula-related procedures, and Tunnelled Dialysis Catheter Insertions with precision.

Languages Spoken

- Bengali
- English
- Hindi
- Punjabi

Awards & Achievements

- Recognised as University Topper in Pharmacology, ENT
- Conferred with Manav Seva Samman from the Governor of Chandigarh, 2012
- Awarded the Bronze Medal (Second Order) by PGIMER,

Chandigarh, for outstanding performance in MD Internal Medicine, 2010

- Awarded the Abirlal Memorial Gold Medal in Otorhinolaryngology in 2002
- Felicitated with a Silver Medal in Pharmacology in 2001
- Chairman, Scientific Committee: East Zone Conference of the Indian Society of Nephrology (ISNEZCON), 2024
- Co-Organising Secretary of HOPECON 2025, the Fourth Edition of the Comprehensive Multidisciplinary Medi-Educare Conference organised by the Kolkata Nurture Foundation, in association with Uni Edu Health and Valmiki Healthcare.
