

DR. SUJIT KUMAR SINHA

Consultant - Urology

Qualification

MBBS | MS (General Surgery) | M. Ch (Urology)

Overview

Dr. Sujit Kumar Sinha is a highly accomplished and respected consultant Urologist with over 20 years of experience in the field of Urology. Dr. Sinha completed his MBBS from Medical College, Kolkata, followed by a Master of Surgery (MS) in General Surgery. He later obtained a super-speciality degree (M.Ch) in Urology from the prestigious Institute of Post-Graduate Medical Education & Research (IPGME&R), Kolkata. Dr. Sinha's expertise spans a wide range of urological treatments and surgical interventions. These include Robotic Surgery, Laparoscopic Surgery, Endourology, Laser Surgery, Uro-Oncology, and Renal Transplantation. His clinical proficiency includes the management of kidney and ureteral stones through advanced procedures such as Percutaneous Nephrolithotomy (PCNL), Ureteroscopy, and Laser Lithotripsy. Adept in complex robotic procedures for prostate, kidney, and bladder conditions, Dr. Sinha uses cutting-edge technology to ensure accuracy, reduced pain, and quicker recovery. Dr. Sinha has also been actively involved in Renal Transplant programmes at multiple institutions. This opportunity has provided the chance to enhance his skillset in comprehensive pre- and post-

transplant care, ensuring excellent outcomes for both donors and recipients. Dr. Sinha is also a dedicated member of many reputed medical associations, such as the Urological Society of India (USI) and the Bengal Urological Society (BUS). He aspires to develop a Urology Department that offers inclusive care to patients from all walks of life, with national and international recognition. Fluent in Hindi, English, and Bengali, Dr. Sinha connects effortlessly with patients, ensuring that communication is always clear, compassionate, and patient-friendly. Known for his calm and friendly nature, he sees to it that each individual receives a personalised treatment plan tailored to their needs. Outside of his clinical responsibilities, Dr. Sinha remains a passionate advocate for medical innovation and equitable healthcare delivery. Dr. Sinha’s dedication, experience, and empathetic approach have made him a trusted name in Urology.
