Overview

Dr. Jayanti Iyengar is an experienced ophthalmologist in Mysuru. She is currently practising as a Consultant in ophthalmology at Manipal Hospitals, Mysuru. With over 25 years of experience, Dr. Jayanti has cultivated a strong expertise in comprehensive eye care, particularly in anterior segment disorders, small incision cataract surgery, and squint correction. Known for her meticulous approach, she provides specialised treatments aimed at improving both vision and quality of life for her patients. Dr. Jayanti completed her M.B.B.S. at M.P. Shah Medical College, Jamnagar, under Saurashtra University, Gujarat. She then pursued an M.S. in Ophthalmology from the same institution, followed by a residency where she honed her clinical and surgical skills in the field. Throughout her career, she has committed herself to expanding her knowledge and skills, participating in continuous medical education to stay updated with advancements in ophthalmology. This dedication has allowed her to perform surgeries and treatments with high precision and care. Her clinical expertise spans various areas of ophthalmology, including cataract surgery,

management of anterior segment issues, and general eye surgery. Dr.Jayanti is particularly proficient in small incision cataract surgery, a minimally invasive technique that enables quick recovery and enhanced visual outcomes for patients. In addition, she offers squint correction surgeries, helping patients improve eye alignment and visual coordination. These skills have made her a respected consultant within the Mysuru community, where she addresses the diverse eye care needs of her patients. In her practice, Dr. Jayanti also emphasises patient education. She ensures that each patient and their family members understand their diagnosis, treatment options, and post-operative care. Her patient-centric approach builds trust and encourages patients to follow through with preventive eye care, such as regular screenings for early detection of eye conditions. Dr. Jayanti's approach not only enhances treatment outcomes but also helps her patients make informed health decisions. Dr. Jayanti is an active member of several professional bodies, including the All India Ophthalmic Society and the Mysore Ophthalmic Association. These memberships keep her connected with the larger ophthalmology community, allowing her to collaborate with other specialists and keep up with new developments in eye care. Dr. Jayanti speaks English and Hindi fluently, enabling her to serve a broad range of patients across different backgrounds in Mysuru. Her bilingual proficiency supports her commitment to accessible and inclusive healthcare, ensuring her patients feel comfortable and understood during consultations.
