

DR. SATISH KUMAR M.G

Consultant - Internal Medicine

Qualification

MBBS University of Mysore | MD (General Medicine) Kuvempu University

Overview

Dr. Satish Kumar M G is an experienced general physician in Mysuru. He is currently practicing as a Consultant - General Physician at Manipal Hospital, Mysuru. With over 20 years of experience in internal medicine, Dr. Satish Kumar M G has developed a comprehensive understanding of diverse medical conditions. His expertise spans preventive health, chronic illness management, and emergency care, with a strong focus on improving patient health outcomes through evidence-based practices. Dr. Satish Kumar M G completed his MBBS at J.S.S. Medical College, Mysuru, followed by his MD in Internal Medicine at J.J.M. Medical College, Davangere. Throughout his career, he has combined clinical skills with a dedication to teaching, having served as a post-graduate teacher in internal medicine for DNB students. His experience in cardiology as a senior registrar has added valuable specialization to his general practice, allowing him to manage complex cardiovascular cases within his role. Dr. Satish Kumar M G has a special interest in preventive care, chronic disease management, and lifestyle modifications that contribute to improved long-term health. He conducts detailed assessments for conditions like diabetes,

hypertension, and respiratory diseases. His approach to patient care emphasizes a preventive model, focusing on early detection and management to avoid complications. Dr. Satish Kumar M G actively encourages patient education, believing that informed patients make better health choices. In addition to his medical practice, Dr. Satish Kumar M G has a keen interest in advancing medical knowledge. He has published several scientific papers and has shared his research at conferences, contributing to the ongoing development of internal medicine. His teaching background has enabled him to train numerous medical students, fostering a future generation of healthcare professionals. Dr. Satish Kumar M G is also an active participant in social causes. He has supported community health programs, such as a dialysis initiative for underserved patients, and has volunteered with organizations focused on HIV care. His community involvement reflects his commitment to improving public health in Mysuru. Dr. Satish Kumar M G speaks English, Kannada, and Hindi, allowing him to communicate effectively with a broad patient base. His patient-centered approach and dedication to accessible healthcare make him a trusted provider in the Mysuru area.
