

DR. SREEHARSHA M V

Consultant - General Surgery

Qualification

MBBS AIMS, Bellur | MS(General Surgery) | FMMC, Mangalore | Laparoscopic Surgery Certification | MISTI, Chennai

Overview

Dr. Sreeharsha M. V. is a seasoned and extensively experienced general surgeon in Mysuru with advanced expertise in laparoscopic and proctological procedures. He is currently practising as a Consultant - General Surgery at Manipal Hospital Mysore, bringing over 18 years of clinical experience in general surgery across academic and tertiary care settings. With a strong academic foundation from Adichunchanagiri Institute of Medical Sciences and an M.S. in General Surgery from Father Muller Medical College, Dr. Sreeharsha’s training reflects a balance of academic rigour and clinical depth. His early career included roles in teaching and surgical training, progressing from junior residency to Assistant and Associate Professor positions at JSS Medical College, Mysore, where he contributed significantly to undergraduate and postgraduate surgical education. Over the years, his clinical work has evolved to include a broad spectrum of general surgical procedures, with particular expertise in abdominal surgeries, hernia management, thyroid disorders, and gastrointestinal surgical conditions. His training in minimally invasive surgery at MISTI, Chennai, and continued engagement with laparoscopic workshops and advanced

GI surgical updates have enabled him to integrate modern surgical techniques into routine practice. His work in minimally invasive and laser-based proctology, supported by specialised certification in laser treatment for anorectal conditions, allows for precise and patient-friendly management of haemorrhoids, fissures, and fistulae. This focused expertise contributes to his recognition as one of the best general surgeons in Mysuru for both routine and complex surgical care. Dr. Sreeharsha has also demonstrated strong involvement in institutional development and quality systems. He has been an active member of ethics committees, infection control committees, and operating theatre committees across institutions, ensuring adherence to clinical governance and patient safety protocols. His role in curriculum development, objective-based assessment systems, and medical education training programmes reflects his sustained contribution to strengthening surgical education frameworks. His academic contributions include multiple peer-reviewed publications and presentations at national and state-level conferences, covering a range of surgical topics from abdominal malignancies to rare case presentations. His award-winning presentations and continued participation in scientific forums highlight his engagement with evolving surgical practices and clinical research. In clinical practice, Dr. Sreeharsha is known for his methodical approach to diagnosis, careful surgical planning, and emphasis on post-operative recovery. He ensures that patients and their families are well-informed at every stage, maintaining clarity in communication and realistic expectations regarding outcomes. His ability to combine surgical precision with structured follow-up care reinforces his position among the best general surgeons in Mysuru for comprehensive and dependable surgical management.
