

DR. AMRUTH KH

Consultant – Orthopaedics

Qualification

MBBS | MS | MRCSEd | DNB | FIA

Overview

Renowned Orthopaedic surgeon Dr. Amruth KH has over ten years of experience and a plethora of knowledge. He is well-known in his field and has a base in Bangalore, India. He is recognised for his extraordinary skills, attention to detail, and kindness. At present, Dr. Amruth is working as an Orthopedics Surgeon at Manipal Hospitals in Mysore. Dr. Amruth is particularly interested in surgeries and fractures. His services are highly sought after by patients arriving for various surgeries. Dr. Amruth's areas of specialisation include Complex Traumatic fractures and Joint Replacement surgery. He has a fellowship in Joint Replacement Surgery from the Ortho One Hospital, Coimbatore, India, in Singapore, one of Dr. Amruth's most notable accomplishments. This certification distinguishes him from other Orthopedic surgeons in the area and serves as evidence of his exceptional education and professional experience. He graduated from JSS Medical College with an MBBS and from the Rajiv Gandhi University of Health Sciences in Bangalore, India, with an MS in orthopaedics. Also, he holds degrees, including DNB, MRCSEd, and FIA. His education gave him the knowledge and abilities to manage complicated and

demanding medical circumstances, a talent that has been useful in his practice. These connections helped him develop a network of like-minded people and improved his standing as a respected member of his fraternity. Interestingly, Dr. Amruth participates in various organisations, underscoring his commitment to his profession and desire to stay current with Orthopaedics. No wonder he is considered the best orthopedic doctor in Mysore. Dr. Amruth has received widespread recognition for his scholarly contributions and has been asked to give guest talks at several conferences and seminars. Dr. Amruth has given numerous invited talks on a variety of topics, including Boilers and Gissane Angles in the Indian Population Journal of Clinical Imaging Science, paramedical students, and Knowledge Attitude and Practise Study on Biomedical Waste Management Among Healthcare Professionals in Tertiary Care Government Hospital in South India, as well as Enigma In Diagnosis Of Malignant Tumour Of Tibia in the MGR Medical Journal. Another one of Dr. Amruth's outstanding qualities is his proficiency in patient communication. Because he is fluent in English, Hindi, Tamil, Malayalam, and Kannada, he can communicate with patients from a variety of social and cultural backgrounds. The ability to describe medical operations in a way that patients may comprehend allows Dr. Amruth KH to reassure and relax patients before surgery. He has been able to share his knowledge and experiences with other medical professionals thanks to her involvement in these events, which has helped the Orthopaedic sector advance and expand. All of his patients receive compassionate treatment from him, and their wants and worries are attended to with the utmost consideration.
