

DR. SUCHARITHA M V

Consultant - Neurology

Qualification

MBBS | MD (General Medicine) | DM (Neurology)

Overview

Dr. Sucharitha M V is an esteemed neurologist in Mysore who is currently associated with Manipal Hospitals Mysore as a Consultant - Neurology. She has extensive experience in managing Acute Stroke, Epilepsy, Headaches, Neuroinfections, Movement disorders, Neuropathy, Guillain-Barré Syndrome, Cerebral Venous Thrombosis, Demyelinating disorders, Autoimmune Encephalitis, Neuromuscular disorders, Radiculopathy, and Dementia. She has also gained proficiency in performing and interpreting diagnostic procedures such as Lumbar punctures, Nerve biopsies, EMG, and EEG. Dr. Sucharitha possesses an extensive academic and clinical background, making her a valuable asset to the field. Her medical journey began with an MBBS at Mandya Institute of Medical Sciences. Her commitment to further specialisation led her to attain an MD - General Medicine from the same institution in 2020. Her thesis focused on the “Study of Mean Platelet Volume in Ischemic Stroke Patients and its Association with Severity of Stroke”. Dr. Sucharitha continued to hone her expertise by completing a DM - Neurology from St. John's Medical College and Hospital, Bengaluru, in 2023. Throughout her career, Dr. Sucharitha

has actively contributed to the medical community through various academic appointments and presentations. Her scholarly work includes multiple paper and poster presentations at prestigious conferences such as KNACON and IANCON, with notable presentations were on autoimmune encephalitis and cerebral venous thrombosis. Besides, she has a particular interest in cognition and demyelination, with her research focusing on autoimmune encephalitis and dementia. She has published work on “Endovascular Management of Cerebral Venous Thrombosis: A Tertiary-Centre Experience” and has shared her expertise through talks, including a notable presentation on Hirayama disease at the Bangalore Neurological Educational Trust. Dr. Sucharitha's dedication to neurology is further demonstrated by her involvement in numerous workshops and seminars focusing on EEG, ENMG, Neurosoncology, and Neuroradiology. She is a proud member of the Indian Academy of Neurology and the Indian Medical Association, staying abreast of the latest developments in her field. Outside her professional life, Dr. Sucharitha enjoys playing chess and badminton and has a passion for reading novels. Her comprehensive training, dedication to patient care, and active engagement in research and education make her a highly respected and trusted neurologist in Mysore, committed to advancing the field and improving patient outcomes.
