

## **DR. MANJUNATH V**

Consultant - Anesthesiology

### **Qualification**

MBBS | MD(Anesthesiology)

### **Overview**

Dr. Manjunath V is a dedicated anaesthesiologist in Mysore. He is currently practising at Manipal Hospital Mysore as a Consultant in anaesthesiology. He holds an MBBS from Mysore Medical College and an MD in Anaesthesiology from the Postgraduate Institute of Medical Education and Research, Chandigarh. Dr. Manjunath has extensive clinical experience in all fields of anaesthesia, including paediatric anaesthesia, intensive care, and cardiac anaesthesia. He is the Best Anesthesiologist in Mysore. Being proficient in various anaesthetic techniques and procedures such as basic and advanced cardiac life support, venepuncture, central vein cannulation, peripheral artery cannulation, and pulmonary artery catheterisation, Dr. Manjunath holds high esteem. He is skilled in central neuraxial blocks, peripheral nerve blocks, epidural catheterisation, nasotracheal and endotracheal intubations across all age groups, along with ventilator management. His ability to handle high-risk, difficult airway cases and provide labour analgesia is commendable. Known for his dynamic and safe approach, Dr. Manjunath is an enthusiastic team player with excellent communication skills. Being multilingual, he is fluent in English,

Kannada, and Hindi. This enables him to communicate easily with his colleagues and patients.
