

DR. ANJANA B CHOUDHURY

Consultant - Paediatrics

Qualification

MBBS | MD (Paediatrics)

Overview

Dr. Anjana B Choudhury is a qualified and experienced Consultant in Paediatrics, working at Manipal Hospitals Old Airport Road in Bengaluru. She holds an MBBS degree and an MD in Paediatrics. She also has a fellowship and membership in several prestigious medical organisations, including the Indian Academy of Paediatrics (IAP), Indian Academy of Practical Paediatrics (IAPP), National Neonatology Forum (NNF), State Neurology Chapter, and Bangalore Paediatric Society (BPS). Dr. Choudhury's areas of expertise include growth and development, infections and nutrition in children, and counselling. She has vast experience in dealing with various paediatric issues and is known for her compassionate and patient-centred approach. She is a well-versed doctor who speaks multiple languages, including English, Bengali, Hindi, and Kannada, making her approachable and easy to communicate with patients from different backgrounds. As a paediatric consultant, Dr. Choudhury has dedicated her career to improving the health and well-being of children and their families. Her expertise and commitment to her patients make her an invaluable asset to the medical community in Bengaluru. She takes the time to provide comprehensive and personalised care to each of her patients, and her dedication to her work is evident in the positive outcomes she achieves. Dr. Anjana B Choudhury is a highly respected and accomplished paediatric consultant with a wealth of knowledge and experience in her field. Her dedication to her patients, expertise, and multilingual abilities, make her an asset to the Manipal Hospital Old Airport Road and the community at large.
