

DR. SURYA KANT CHOUBEY

Consultant - Urology and Robotic Surgery

Qualification

M.B.B.S | M.S. (General Surgery) | M.Ch. (Urology) | D.N.B. (Urology) | M.N.A.M.S

Overview

Dr. Surya Kant Choubey is a top urologist doctor in Bangalore with over 22 years of total experience as an expert and 17 years as a professor in urology and renal transplant. He currently practises as a consultant in urology at Manipal Hospital Old Airport Road, Bangalore. Dr. Surya Kant Choubey holds top-notch expertise in minimally invasive and laparoscopic surgery, reconstructive urology, female urology, neuro-urology, endourology, uro-oncology, renal transplant (recipient and donor), and laser surgery for stones and prostate. He routinely performs several surgeries independently in the divisions of Endo-Urology such as P.C.N.L., U.R.S., R.I.R.S., TURP, T.U.R.B.T., H.O.L.E.P., Endoscopic treatment of Stricture urethra as well as Laparoscopic Pyeloplasty, Laparoscopic Nephrectomy, Laparoscopic Adrenalectomy, Ureteric re-implantation, etc. Such extensive expertise over the years has helped him build a good rapport and a strong sense of trust among patients coming to the Department of Urology seeking treatment. As a clinician, Dr. Surya Kant efficiently caters to a diverse population of patients from across the country and abroad, including Bangladesh, South Africa, Ethiopia, Nepal, Bhutan, and Saudi Arabia. The academic

background of Dr. Surya Kant Choubey is remarkable. He completed his MBBS and MS (General Surgery) from the Rajendra Institute of Medical Sciences, Ranchi (RIMS). He was awarded the special State Merit Scholarship while pursuing his MBBS degree. His General Surgery thesis on “Effect of immune suppression on allograft survival in patients with massive burns” received massive appreciation. The doctor then pursued several other training programmes to further his expertise, including Urology and Renal Transplant training at Christian Medical College, Vellore, an M.Ch from Bangalore Medical College, and a DNB from the National Board of Examinations, New Delhi. He was a professor and Head of the Department of Urology and Renal Transplant at St. Johns National Academy of Health Sciences, Bangalore. As a faculty member and mentor, Dr. Surya Kant Choubey has trained and guided many Urology Residents during their DNB and M. Ch training programme at the institute. He had also established the renal transplantation programme at the organisation. The doctor’s achievements do not end there. He was recognised as a resource person at the Geriatric Conference on Urinary in Continence held at St. Johns Medical College in 2013. Dr. Surya Kant Choubey has an exceptional interest in clinical research. He regularly attends various international, national, state, and zonal level conferences as a faculty and delegate. Dr. Surya Kant Choubey is also associated with the Urological Society of India (South Zone and State Chapter) and Société Internationale d'Urologie (SUI). This elaborate expertise and prestigious associations have made Dr. Surya Kant Choubey one of the best urologists and renal transplant physicians in Bangalore and India.

Fellowship & Membership

- Urological Society of India
- South zone - Urological Society of India
- State chapter - Urological Society of India
- SUI – Société Internationale d'Urologie

Field of Expertise

- Laparoscopic surgery
- Reconstructive urology
- Female- Urology
- Neuro- Urology
- Endourology
- Uro-Oncology
- Renal transplant (recipient and donor)
