

DR. HEMANTH KUMAR PANDHARPURKAR

Consultant – Vascular and Endovascular Surgery

Qualification

MBBS | MS (General Surgery) | MRCS | Fellowship (Vascular Surgery)

Overview

Dr. Hemanth Kumar Pandharpurkar is an exceptionally accomplished vascular and endovascular surgeon at Old Airport Road, with extensive experience in vascular and endovascular surgery. He is currently practising as a Consultant – Vascular and Endovascular Surgery at Manipal Hospital Old Airport Road. Dr. Pandharpurkar specialises in the diagnosis and treatment of arterial, venous, and lymphatic disorders, with expertise in advanced open vascular surgery, minimally invasive endovascular interventions, vascular access procedures, and renal transplantation surgery. His precision-guided approach to restoring vascular pathway dynamics has established him among the best vascular surgeons in Bangalore for elite circulatory healthcare. Dr. Dr. Hemanth Kumar Pandharpurkar completed his MBBS followed by an MS in General Surgery and earned the prestigious MRCS (Edinburgh) qualification. He further specialised through a Fellowship in Vascular Surgery at the renowned Sree Chitra Tirunal Institute for Medical Sciences and Technology, where he received advanced training in complex vascular reconstruction, endovascular procedures, and transplant vascular surgery. At Manipal Hospital Old Airport Road, Dr.

Pandharpurkar manages a wide spectrum of vascular disorders, including peripheral arterial disease, acute and chronic limb ischaemia, diabetic foot complications, varicose veins, deep vein thrombosis, aneurysms, carotid artery disease, vascular trauma, and dialysis access complications. Recognised among the best vascular surgeons in Bangalore, his expertise includes open vascular bypass procedures, angioplasty, stenting, thrombolysis, endovenous laser treatment (EVLT), vascular access creation for haemodialysis, and complex renal transplantation recipient surgeries in both adults and children. Dr. Hemanth Kumar Pandharpurkar has received advanced international recognition through a Visiting Scholarship awarded by the Society for Vascular Surgery, USA, with training at Northwestern Memorial Hospital, Chicago, and Mayo Clinic, Rochester. He also completed a Fellowship at the Royal College of Surgeons, England, at Queen's Medical Centre, UK. His clinical excellence and expertise in advanced vascular procedures have established him among the best vascular surgeons in Bangalore, with recognition including the prestigious Prof. Satyanarayana Setty Gold Medal for Best Young Surgeon in Bangalore. A Fellow of the Vascular Society of India and an active member of the Association of Surgeons of India, Venous Association of India, Diabetic Foot Society of India, Indian Society of Organ Transplant, and Vascular Access Society, Dr. Pandharpurkar remains committed to delivering evidence-based vascular care. Fluent in English, Hindi, Kannada, Tamil, Telugu, Malayalam, and Marathi, he ensures personalised communication and comprehensive treatment planning for patients from diverse backgrounds.
