

## SATISH KUMAR CR

Consultant - Clinical Psychology

### Qualification

MPhil Clinical Psychology | PGIBAMS (RCI LICENSED) | PhD Clinical Psychology (Scholar) Netherlands

### Overview

Dr. Satish Kumar C. R. is a highly respected and accomplished clinical psychologist, known for his expertise in psychological assessments and various areas of mental health. He is currently associated with the Manipal Hospitals, Old Airport Road, Bengaluru, as a consultant in clinical psychology. The renowned Maastricht University in the Netherlands is where he earned his MPhil in Clinical Psychology, PGIBAMS (RCI Licence), and PhD in Clinical Psychology. For his outstanding academic accomplishments, he was given a scholarship there. Dr. Satish Kumar C. R. is a member of the Indian Association of Clinical Psychologists and the International Association of Holistic Psychology, and he is passionate about holistic psychology. He has vast expertise and a specialised understanding of a variety of psychological examinations, including personality evaluations, IQ testing, assessments for specific learning disabilities, and behavioural exams. His competence extends to child psychology, where he specialises in providing behavioural therapy, managing melancholy and anxiety in children, and dealing with rage difficulties. Dr. Satish is a foremost consultant clinical psychologist in Old Airport Road, Bangalore. Dr. Satish has also made significant contributions to the field of pain management, helping patients adapt to musculoskeletal pain, chronic headaches, psychosomatic pain, and cancer-related pain. In the realm of adolescent health, he focuses on addressing substance addiction, relationship issues, and various behavioural complaints that young individuals may face. Additionally, Dr. Satish Kumar C. R. provides specialised care for adults, utilising evidence-based techniques such as Cognitive Behavioral Therapy (CBT), Mindfulness, resilience enhancement, and relaxation techniques to help individuals cope with anxiety, depression, and stress disorders. A key aspect of Dr. Satish's practice is his expertise in relationship counselling. He offers premarital relationship counselling to address any discord that may arise before marriage, as well as post-marital counselling and couples counselling to foster healthier relationships. He is fluent in several languages, including English, Tamil, Kannada, and Hindi, enabling him to effectively communicate and connect with patients from diverse backgrounds. Dr. Satish Kumar C. R. has got several awards for his outstanding efforts during his career. He further demonstrated his interest and commitment to the area of clinical psychology by receiving a scholarship from Maastricht University in the Netherlands. He has written multiple studies in respected journals, such as the Asian Journal of Psychiatry and the International Journal of Community Medicine and Public Health, in addition to his clinical work. He has also spoken at different conferences and delivered speeches at these events. Dr. Satish's contributions extend beyond the academic and clinical realms. He has been effectively associated with creating awareness about mental health through interviews, articles, and media appearances. His experiences and mastery have been highlighted in prominent publications, where he has addressed topics like the impact of social media on mental health, the challenges of working from home, and the increased burden of dementia during the pandemic. With his immense knowledge, compassionate approach, and devotion to working on mental prosperity, Dr. Satish Kumar C. R. is a trusted and esteemed professional in the field of clinical psychology. Patients can rely on his expertise and experience to receive comprehensive and effective psychological care at the Manipal Hospitals, Old Airport Road.
