

DR. ANANTHESWAR Y N

HOD & Consultant - Plastic, Cosmetic & Reconstructive Surgery

Qualification

MBBS | MS | MCH | DNB (Plastic Surgery)

Overview

Expert in plastic, reconstructive, and cosmetic surgery, Dr. Anantheswar Y. N. practices at Bengaluru's Manipal Hospital on Old Airport Road. Dr. Anantheswar, who has a long range of credentials and affiliations, is well-known for his knowledge and services to the medical community. With many degrees, including an MBBS, MS, MCH, and DNB in Plastic Surgery, Dr. Anantheswar demonstrates his dedication to academic achievement and specialisation in his area. The Association of Plastic Surgeons of India, the Association of Surgeons of India, and the Association of Brachial Plexus Society of India are just a few of the distinguished organisations he is a fellow and member of. As a devoted professional, Dr. Anantheswar has made widespread contributions to the development of scientific know-how. He is a founder member of the Association of Palate, Cleft Lip & Craniofacial Anomalies of India and the Skull Base Society of India. He additionally serves as an article member for the International Journal of Craniomaxillofacial Trauma & Reconstruction and is the editor of the International Journal of Plastic Surgery & Transplantation. Dr. Anatheswar is the best cosmetic surgeon in Bangalore. Dr.

Anantheswar knows a variety of fields, including cosmetic surgery, microvascular and hand reconstructive surgery, and plastic surgery. He is a sought-after consultant for patients looking for specialised care and therapy due to his extensive knowledge and skill in those fields. In addition to his professional achievements, the doctor speaks Kannada, Marathi, English, Telugu, and Hindi fluently. He has also authored numerous articles in reputable medical journals and has delivered talks on various topics related to his field. His publications cover a wide range of subjects, from tissue expansion techniques in the closure of myelomeningocele to facial granulomas following the injection of fillers containing acrylic hydrogel particles. His commitment to education and sharing knowledge is evident in his involvement as an international faculty member of Craniomaxillofacial Surgeons, AO, Switzerland and his role as the president-elect of KAPRAS (Karnataka Association of Plastic & Reconstructive Surgeons) for 2020. Dr. Anantheswar's expertise and dedication have earned him recognition and respect from colleagues and patients alike. Some of the services provided by him include reconstructive surgery, facelift/rhytidectomy, liposuction, rhinoplasty, botox injections, abdominoplasty, breast augmentation/mammoplasty, blepharoplasty, gynecomastia treatment/surgery, cosmetic surgery, hand surgery, microsurgery, and breast reduction/enhancement care. His compassionate approach to patient care combined with his extensive knowledge and skill set makes him a trusted professional in the field of plastic, reconstructive, and cosmetic surgery. His consultation timings at the Manipal Hospitals on Old Airport Road, Bengaluru, are as follows: 1:00 PM to 4:00 PM on Mondays and 9:00 AM to 4:00 PM on Fridays."
