

DR. SRIKANTH V

Consultant - Plastic, Cosmetic & Reconstructive Surgery

Qualification

MBBS | MS | DNB | FRCS | MCh

Overview

Dr Srikanth V is a highly qualified and experienced Plastic Reconstructive and Cosmetic Surgery expert. He has established himself as a recognised and trusted practitioner in his area, with impressive certifications and memberships. Dr Srikanth V's surgical experience includes cosmetic surgery, microsurgery, hand surgery, breast enlargement and reduction, hair transplantation, and other operations. Dr Srikanth V has acquired an extensive educational background to support his medical practice. He holds an MBBS degree, indicating his completion of undergraduate medical training. He further pursued his postgraduate education, obtaining an MS (Master of Surgery) degree and a DNB (Diplomate of National Board) qualification. Dr Srikanth V has also achieved the prestigious FRCS (Fellow of the Royal College of Surgeons) and MCh (Master of Chirurgiae) titles, which demonstrate his advanced level of expertise and specialisation in Plastic Reconstructive and Cosmetic Surgery. Dr Srikanth V has cultivated expertise in various areas of plastic surgery. He specialises in cosmetic operations such as liposuction, stomach tucks, and rhinoplasty, all of which attempt to improve one's physical appearance

and promote self-confidence. He also excels in microsurgery, a problematic surgical technique for delicate treatments involving microscopic blood arteries and nerves. His proficiency in hand surgery allows him to treat conditions and injuries affecting the hand, ensuring optimal function and aesthetic outcomes. He is a foremost cosmetic surgeon in Old Airport Road. Breast surgeries, both augmentation and reduction, are among Dr Srikanth V's areas of expertise. With a keen understanding of the nuances and intricacies of these procedures, he helps patients achieve their desired breast size and shape, addressing their specific concerns and enhancing their overall well-being. Dr Srikanth V also offers services such as stomach tightening, hair transplantation, Botox injections, nose reshaping, hair fall treatment, fillers, liposuction, and treatments for baldness. Dr Srikanth V is a multilingual professional who communicates effectively with patients in English, Kannada, Tamil, Hindi, and Telugu. This linguistic versatility enables him to establish a strong rapport with individuals from diverse backgrounds and ensure clear and comprehensive communication throughout the treatment. Dr Srikanth V has significantly contributed to his area through speeches, publications, and clinical practice. He has been invited to lecture in various venues, sharing his knowledge and skills with the medical community and the general public. His speeches include many issues, including advances in plastic surgery, liposuction problems, male hair and body aesthetics, and the significance of a clean environment in gender affirmation surgery. Additionally, Dr Srikanth V has been featured in publications and news articles discussing successful surgeries, plasma donation, and his contributions as a COVID warrior.
