MBBS | MS (Ophthalmology)

## Overview

Dr. Jyoti Shetty is an ophthalmologist who practises in Bangalore, India and has years of expertise and training. She has advanced competence and years of training in various areas of ophthalmology, making her one of the most renowned and in-demand eye doctors in the area. Dr Shetty is a prestigious member of some of the prominent institutions, including the All India Ophthalmological Society, the Bangalore and Karnataka Ophthalmological Societies, the American Academy of Ophthalmology, the European Society of Cataract and Refractive Surgery, and several other distinguished associations. In addition to refractive surgery, LASIK laser systems, Phakic ICL, and paediatric glaucoma, her fellowship training also covers the anterior segment, cornea, and glaucoma. Dr. Jyoti Shetty can conduct a variety of ophthalmic treatments that cover refractive surgery, cataract surgery, pediatric cataract surgery, advanced glaucoma surgery, and squint surgery, thanks to her broad spectrum of skills. Dr Jyoti Shetty's knowledge and contributions to ophthalmology extend beyond her work as a clinician. She has also published several papers in regional and international journals to further the field and give her patients the

most cutting-edge care. Additionally, she has spoken and presented at various popular conferences and seminars to share her knowledge and experience with her fellow doctors and other medical specialists seeking knowledge. Dr. Jyoti Shetty is the best ophthalmologist in Bangalore. Dr Jyoti Shetty is renowned for her compassionate and patient-focused style of medicine. She gets to know her patients' wants and needs, ensuring they are informed and at ease during their therapy. She can provide care to various patients with her fluency in English, Hindi, Kannada, and Tulu. Dr Jyoti Shetty has earned several honours and recognitions throughout her career and her memberships and fellowships in professional organisations. She has won the Best Outgoing Fellow Award and became a National Talent Search Scholar. Her inclusion in the Ophthalmology Times as an "Accomplished Ophthalmologist from Southern India" is evidence of her passion and commitment to her field—domestically and internationally publications in journals. Ophthalmology HOD & Consultant - Ophthalmology, Cataract, Refractive Surgery & Glaucoma Specialist Dr Jyoti Shetty works at Manipal Hospitals on Old Airport Road.
