

DR. ARCHANA M

Consultant - Lab Medicine (Histopathology)

Qualification

MBBS | MD | DNB | PDF (Oncopathology) | DipFRCPATH

Overview

Dr. Archana M is a highly skilled and experienced histopathologist in Bangalore. She's currently practising as a Consultant - Histopathology at Manipal Hospital Old Airport Road, Bangalore, specialising in histopathology, cytopathology, oncopathology, and gastropathology. She holds an MBBS from Dr. Somervell Memorial CSI Medical College, Trivandrum, followed by an MD in Pathology from St. John's Medical College, Bengaluru. Additionally, she has completed a DNB in Pathology and a prestigious Post-Doctoral Fellowship in Oncopathology from Kidwai Memorial Institute of Oncology, Bengaluru. Dr. Archana has over 7 years of experience in the field and is currently a Consultant Histopathologist at Manipal Hospitals, Old Airport Road, Bangalore. Her vast knowledge and expertise contribute significantly to diagnosing complex oncological and gastrointestinal cases, ensuring optimal patient management. She is well-versed in advanced diagnostic techniques and is crucial in interdisciplinary consultations for cancer and other pathological conditions. She is an expert consultant - histopathologist in Oldairport Bangalore. In her academic journey, Dr. Archana has made notable research contributions. Her research on

"Primary Gastric Synovial Sarcoma in a Child: A Case Report and Review of the Literature" was published in the Journal of Pediatric Hematology/Oncology in 2021. She has co-authored multiple publications, including studies on hidden liver and bone marrow amyloidosis, histopathological insights into Darier disease, and rare cutaneous malignancies. Beyond her clinical practice, Dr. Archana is actively involved in academic and professional training. She has presented at numerous national and international conferences, including an oral paper titled "Darier Disease - Histopathology Revisited" at the Pathsurge International Pathology Conference, Chennai, 2016. She has also delivered an interesting case presentation at the Musculoskeletal Oncology Symposium 2024 and conducted a workshop on "Grossing Techniques in Bone Tumours" at APCON 2022. As an esteemed faculty member, Dr. Archana has been invited to conduct CMEs and workshops on oncopathology. She has served as faculty at the CME in Genitourinary Oncopathology at Sri Shankara Cancer Hospital and Research Centre in April 2022 and the Gynae Oncopathology Workshop at KCIAPM's Annual Conference, KAPCON 2021. She is a life member of the Karnataka Chapter of the Indian Association of Pathologists and Microbiologists (KCIAPM), reflecting her commitment to ongoing medical education and pathology advancements. Dr. Archana is fluent in Kannada, English, Hindi, Malayalam, and Tamil, enabling her to communicate effectively with diverse patients and colleagues. Her dedication to pathology, academic contributions, and diagnostic excellence make her a respected figure in histopathology.

Fellowship & Membership

- Post-doctoral fellowship in Oncopathology 2018-2019, Kidwai Memorial institute of oncology, Bengaluru
- Hepatopathology course (online) 2023-Institute of Gastro and Hepatopathology, New Delhi

Field of Expertise

- Histopathology
- Cytopathology
- Oncopathology
- Gastropathology
- Immunohistochemistry
- Immunofluorescence
- Frozen Sections

Languages Spoken

- Kannada
- English
- Hindi
- Malayalam
- Tamil

Awards & Achievements

- Poster: “ Epithelioid Sarcoma—A Fox in Sheep's clothing”- Bone and Soft Tissue Oncopathology Conference - 2024 held at CMC Vellore
- Oral Paper: "Darier disease-Histopathology Revisited" - Pathsurge, International Pathology Conference, Chennai 2016
