## Overview

Dr. Mohit P. Shetti is a highly skilled Gastroenterologist, Hepatologist, and Therapeutic and Bariatric Endoscopist currently associated with Manipal Hospitals, Old Airport Road as a consultant. He has an MBBS from KMC Manipal, a DNB (General Medicine) from the National Board of Examinations in New Delhi, an MD (General Medicine) from KMC Manipal, an MRCP (UK) from the Royal College of Physicians in London, and an FRACP (Gastroenterology) from the Royal Australasian College of Physicians in Australia. Dr. Shetti is an MBBS Gold medalist and is the first doctor in Karnataka, India, to perform Endoscopic Sleeve Gastroplasty (ESG). His expertise was recognised globally when he received the coveted Peter Cotton Travel Fellowship to study advanced endoscopic procedures at MUSC Health in South Carolina, USA. For the same reason, he is considered one of the best gastroenterologists in Bangalore.  Dr Shetti's achievements reach beyond his nation. He has

a fellowship in advanced endoscopy from Australia, specialising in ERCP, EUS, and Therapeutic Endoscopy. He exhibits his dedication to sharing his knowledge and skills with fellow professionals as an Australian Health Practitioner Regulation Agency (AHPRA) speciality registrant and joint supervisor for Gastroscopy and Colonoscopy training in Australia. Membership in prestigious organisations such as the American Society of Gastrointestinal Endoscopy, the Association for Bariatric Endoscopy, and the Indian Society of Gastroenterology attests to Dr Shetti's excellent degrees. Dr. Mohit P. Shetti is well-known for his unrelenting attention to his patients in addition to his remarkable qualifications and achievements. He works as an adjunct professor at the Manipal Academy of Higher Education (MAHE), where he shares his expertise and experience with aspiring medical professionals. Dr. Mohit P. Shetti is a proficient medical gastroenterologist, hepatologist, and therapeutic and bariatric endoscopist at Manipal Hospitals.
