

DR. SAMPATH KUMAR

HOD & Consultant - Bariatric Surgery & General Surgery

Qualification

MBBS | DNB (General Surgery) | MNAMS | FIAGES | FICS | FAIS | FRCS | Fellow in Bariatric (Obesity) Surgery

Overview

An experienced HOD & Consultant - Bariatric Surgery & General Surgery, Dr. Sampath Kumar is currently associated with the Manipal Hospitals on Old Airport Road, Bengaluru. He has over 30 years of experience in the area of laparoscopic surgery, obesity and general surgery, and metabolic surgery. Dr. Sampath received his MBBS from the reputed Jawaharlal Nehru Medical College in Belgaum. Additionally, he earned his Diplomate in General Surgery from National Board at the Manipal Hospital in Bangalore's Old Airport Road. Dr. Sampath Kumar also holds several additional credentials, such as an MNAMS, FIAGES, FICS, FAIS, FRCS, and a Fellow in Bariatric (Obesity) Surgery. The first laparoscopic procedure was carried out at Manipal Hospital, Bangalore by a team that included the doctor. Dr. Sampath Kumar, a competent and well-informed consultant, is an excellent choice for patients needing these treatments due to his experience in general surgery, laparoscopic surgery, bariatric (obesity) surgery, and metabolic surgery. For the same reason, he is considered the best bariatric surgeon in Bangalore. Dr. Kumar has treated various patients with surgery and spends a lot of time and effort towards delivering his

patients with the finest care. Also, he can interact with many patients in the region since he is proficient in English, Kannada, Telugu, Tamil, and Hindi. Apart from this, he is an associate fellow of the International College of Surgeons. He also proudly belongs to several organisations and associations. He is a renowned member of the National Academy of Medical Sciences, the Association of Surgeries of India, and the Association of Gastrointestinal Endo-Surgery in India. Dr. Sampath Kumar is also associated with the Indian Obesity & Metabolic Surgery Society affiliated with IFSO, the International Society of Ambulatory Surgery in India, and the Asia-Specific Hernia Society. Along with having worked in general and bariatric surgery, Dr. Kumar has also held the positions of General Secretary and the Ex-Treasurer for the Bangalore Surgical Society. Dr. Kumar is the best general surgeon in Bangalore. He has an in-depth understanding of the advanced and latest tools and techniques and sets out a lot of commitment to offering the patients he serves the best possible level of care. Some of his areas of specialisation include rhinoplasty, liver and lung transplant, endosurgery, cardiothoracic surgery, hair transplant, thyroidectomy, piles and fistula treatment, liver disease treatment, cancer and trauma surgery, gynecomastia treatment/surgery and cheek augmentation. His three decades of experience in the field of general and bariatric surgery gives him invaluable expertise and insights into the difficulties and developments in the surgical sector. Dr. Sampath Kumar has contributed to several lectures and publications. He has spoken at several talk shows and conferences and also co-authored an article in an indexed journal about early gastric cancer.
