Qualification

MBBS from Karnataka Medical College, Hubli | MS (Gen Surgery) from Seth G.S Medical College, Mumbai | M.Ch (Cardio Thoracic) from Sri Chitra Tirunal Institute for Medical Science and Technology, Trivandrum (Institute Of National Importance)

Overview

Dr. Devananda N S is a distinguished cardiothoracic and vascular surgeon currently serving as HOD & Consultant – Cardiothoracic Vascular Surgery, Heart and Lung Transplant Surgery at Manipal Hospital Old Airport Road, Bengaluru. With over 28 years of surgical experience, he has established himself as a leader in adult and paediatric cardiac surgery, heart and lung transplantation, and complex cardiovascular procedures. His expertise in advanced cardiac surgery, combined with exceptional clinical outcomes, has earned him recognition as one of the best cardiothoracic surgeons in Bangalore. Dr. Devananda N S completed his MBBS from Karnataka Medical College, Hubli, followed by an MS in General Surgery from Seth G.S. Medical College, Mumbai. He subsequently earned his M.Ch in Cardiothoracic Surgery from the prestigious Sri Chitra Tirunal Institute for Medical Sciences and Technology, Thiruvananthapuram. His strong academic foundation and decades of hands-on surgical experience

have enabled him to successfully manage some of the most challenging cardiac and thoracic surgical cases. At Manipal Hospital Old Airport Road, Dr. Devananda N S specialises in heart and lung transplantation, coronary artery bypass grafting (CABG), minimally invasive cardiac surgery, complex valve repair and replacement, aortic aneurysm surgery, congenital heart surgery, ventricular assist device (VAD) implantation, and advanced cardiothoracic procedures. Over the course of his career, he has performed more than 10,000 open-heart surgeries and over 7,000 paediatric and adult cardiac procedures, including highly complex surgeries in newborns, infants, elderly patients, and individuals with rare cardiac conditions. His expertise in managing high-risk cardiac surgeries and transplant procedures has made him one of the best cardiothoracic surgeons in Bangalore and one of the most sought-after cardiothoracic surgeons in the region. Beyond his surgical practice, Dr. Devananda is actively involved in academic research, medical education, and professional leadership. He has authored numerous publications in national and international journals and regularly contributes to scientific discussions on advances in cardiothoracic surgery and transplantation. He is a member of several prestigious organisations, including the Indian Association of Cardiovascular and Thoracic Surgery, Indian College of Cardiology, Karnataka Association of Cardiovascular and Thoracic Surgery, Paediatric Cardiac Society of India, and is a founding member of the World Society of Paediatric and Congenital Heart Surgery. Fluent in Kannada, English, and Hindi, Dr. Devananda believes in providing compassionate, patient-centred care supported by evidence-based surgical techniques and multidisciplinary collaboration. His commitment to clinical excellence, innovation, and personalised treatment continues to make him one of the best cardiothoracic surgeons in Bangalore for complex heart, lung, and vascular surgery.
