

DR. PRITI VENKATESH

Consultant - Fetal Medicine

Qualification

MBBS | DGO | MD (OBGYN)

Overview

Dr. Priti Venkatesh is a distinctly qualified and completed medical expert working as a Consultant in Foetal Medicine at the Manipal Hospitals located on Old Airport Road, Bengaluru. Dr. Venkatesh holds an impressive instructional history, having finished her MBBS from the esteemed University of Mysore in 1983. She similarly pursued her MD in Obstetrics & Gynaecology from Kasturba Medical College in 1986 and obtained a DGO degree from the same institution in 1989. Her willpower to non-stop mastering and expert development is obvious through her numerous fellowships and memberships in esteemed scientific societies inclusive of the Bangalore Society of Obstetrics & Gynaecology (BSOG), the Medical Ultrasound Society of Karnataka (MUSK), the International Society of Ultrasound in Obstetrics & Gynaecology (ISUOG), and the International Society of Prenatal Diagnosis (ISPD). Overall, she has 39 years of experience in this field, with 36 years as a specialist - specialising in infertility, obstetrics, and gynaecology. Dr. Priti is a top perinatologist in Bangalore. As a consultant in foetal medicine, Dr. Venkatesh is experienced in providing comprehensive care and management for high-risk pregnancies and foetal abnormalities. Her expertise includes a huge variety of services, including abortion or clinical termination of pregnancy (MTP), fertility holding procedures, laparoscopic

gynaecology, and gynae issues. Dr Venkatesh is mainly skilled in utilising superior strategies including gynae laparoscopy, which is a minimally invasive surgery for diagnosing and treating diverse gynaecological conditions. Dr. Venkatesh's determination and excellence in her field were diagnosed with several awards and honours. She turned into the recipient of the prestigious Dr. Seethamma Gold Medal for OBGYN from Mysore University in 1982, showcasing her first-rate educational achievements and commitment to her affected person's well-being. With fluency in both English and Kannada, Dr. Priti Venkatesh ensures effective communication with her patients, allowing them to express their issues and get hold of suitable guidance and care. She possesses wonderful interpersonal abilities, making her patients feel comfortable and assured in her know-how. In addition to her clinical exercise, Dr. Venkatesh actively contributes to the medical community through her memberships in diverse expert businesses. She is an esteemed member of the Medical Council of India (MCI), similarly demonstrating her commitment to preserving the best standards of clinical exercise and ethics. With her tremendous experience and extraordinary abilities, Dr. Priti Venkatesh keeps making a substantial effect in the subject of Obstetrics and Gynaecology. As a consultant at the Manipal Hospitals, she gives compassionate and proof-based care, ensuring the well-being of her patients at some point in their pregnancy adventure. Her dedication to excellence, mixed with her ardour for women's health, has made her a depended-on and revered healthcare professional in Bengaluru.
