Overview

Dr. Lokesh A Veerappa is a well-known consultant orthopaedic surgeon in Oldairportroad, Bangalore currently practising at Manipal Hospitals Old Airport Road, Bengaluru. Throughout his overall experience spanning over 24 years, with 21 years as an orthopaedic specialist, Dr. Lokesh A Veerappa has established himself as a leading expert in the field of orthopaedics. He completed his MBBS from Bangalore Medical College and Research Institute in 1999 and pursued his MS in Orthopaedic Surgery from Postgraduate Institute of Medical Education and Research (PGIMER), Chandigarh, in 2005. Dr. Lokesh A Veerappa has further enhanced his skills through prestigious fellowships, including a Joint Replacement Fellowship from Asklepios, Germany, SICOT (or Société Internationale de Chirurgie Orthopédique et de Traumatologie International) Fellowship in Shoulder and Elbow Surgery in Germany, Fellowship in Shoulder Surgery in New York, USA, and an Advanced Trauma Fellowship in Hong Kong. He also holds membership in the Asian Association for Dynamic Osteosynthesis

(AADOS). Dr. Lokesh A Veerappa has expertise in a range of orthopaedic procedures, with a primary focus on joint replacements, arthroscopy, and ligament reconstruction surgery. He has a remarkable surgical record of performing 10000+ orthopaedic surgeries, including over 2500 joint replacement surgeries, 3000 arthroscopy medical procedures, 1500 shoulder surgeries, and over 500 pelvic acetabular surgeries. His expertise extends to sports medicine, complex knee, hip, shoulder, and elbow procedures, as well as revision joint replacements and robotic-assisted surgeries. Apart from his clinical practice, Dr. Lokesh actively engages in research and academic pursuits. He has presented over 100 research papers at national and international conferences and has contributed to 13 reputable journals through his publications. Additionally, he has authored chapters in textbooks and has conducted over 50 workshops all over India to train young orthopaedic surgeons. His commitment to advancing knowledge and sharing expertise is commendable. He has been invited for talks and workshops for his expertise in Pelvic trauma and has conducted The National Conference on Pelvis Acetabular Trauma in 2018 as an Organizing Secretary. Besides his professional accomplishments, Dr. Lokesh A Veerappa is well known for his caring and patient-focused approach. He is conversant in different languages, including English, Hindi, Kannada, Telugu, Tamil, Punjabi, and Bengali, empowering successful communication with patients from diverse foundations. Following are some of the services provided by Dr. Lokesh A Veerappa: knee pain treatment, shoulder surgery, robotic hip/knee joint replacement surgery, knee/elbow/shoulder arthroscopy and reconstruction, acetabular and pelvic surgery, primary and revision shoulder replacement (both anatomical and reverse), arthroscopic knee surgery, arthroplasty, ACL reconstruction, and revision hip/knee arthroplasty.
