

DR. DEEPAK DUBEY

HOD & Consultant - Uro - Oncology Robotic Surgery And Renal Transplantation

Qualification

MBBS: (JIPMER), Pondicherry, India. | MS (Surgery): JIPMER, Pondicherry, India | FRCS: Royal College of Surgeons of Glasgow, UK (February 1994) | DNB (Urology) | MCh (Urology): Sanjay Gandhi Postgraduate Institute of Medical Sciences SGPGIMS), Lucknow, India (January 2001) | FRCS (Urology): Intercollegiate Specialty Board, The Royal College Of Surgeons, UK

Overview

Dr. Deepak Dubey is a highly accomplished urologist specialising in robotic surgery and renal transplantation. He is now the Director of Urology Robotic Surgery and Renal Transplantation at the Manipal Hospitals, Old Airport Road, Bengaluru. Dr. Dubey is internationally recognised for his competence and excellent patient care owing to his stellar academic background and significant experience in the area. He obtained his MBBS degree from JIPMER, Pondicherry, India, followed by an MS in Surgery from the same institution. He developed his talents further by receiving an FRCS from the Royal College of Surgeons of Glasgow, UK. At the Sanjay Gandhi Postgraduate Institute of Medical Sciences (SGPGIMS) in Lucknow, India, he earned his DNB in urology and his MCh in urology degrees. He also possesses an FRCS in Urology from The Royal College of Surgeons of the United Kingdom's Intercollegiate Specialty Board. Dr. Dubey's participation in various significant affiliations, like the European Urological Association, Urological Society of India, and American Urologist Association, is a recognition of his responsibility and information. These affiliations demonstrate his dedication to remaining current on industry best practices and new developments. Expertise in female urology, laparoscopic urology, kidney transplantation, reconstructive urology, and robotic surgery are all included in Dr. Dubey's area of specialisation. His expertise in these specialised fields enables him to provide his patients with complete and cutting-edge therapy alternatives. Dr. Dubey is the best urologist in Bangalore. Dr. Dubey guarantees excellent communication and individualised treatment for patients from various backgrounds because she is fluent in English, Hindi, Kannada, and Tamil. He can communicate with patients in a friendly and encouraging way because of his multilingualism. Throughout his career, Dr. Dubey has been perceived for his extraordinary commitment to the area of urology. He has gotten renowned honours, for example, the Registrar's Prize at the North East Urological Surgeons Meeting in New Castle, UK, and the C. K. P. Menon Award from the Urological Society of India. His research and mastery have been recognised by being a reviewer for regarded journals like the Journal of Urology, Urology, Indian Journal of Urology, and International Brazilian Journal of Urology. Dr. Dubey's groundbreaking work has earned huge consideration and respect. He has been featured in various talks and publications, discussing topics such as urinary tract infections in COVID-19 patients, technological advancements in transplants, and the role of robotics in healthcare. His expertise and insights have been sought after by the media, further establishing him as a thought leader in the field. Dr. Deepak Dubey keeps taking significant steps in urology, offering first-class treatment and a commitment to improving his patients' lives. He does this via his dedication to quality, patient-centred philosophy, and trailblazing contributions.

Fellowship & Membership

- European Urological Association.
