

DR. REDDI PRASAD YADAVALI

Chairman, HOD & Consultant – Interventional Radiology

Qualification

MBBS | MRCS (Edinburgh) | FRCR (London) | CCT (London) | EBIR (Vienna)

Overview

Dr. Reddi Prasad Yadavali is a famous medical expert in the field of interventional radiology. He currently works as the HOD and consultant for interventional radiology at Manipal Hospitals. Dr. Yadavali holds an MBBS degree and has earned the following qualifications, exhibiting his commitment to constant learning and professional development: MRCS (Edinburgh), FRCR (London), CCT (London), and EBIR (Vienna). Dr. Yadavali mainly focuses on Interventional Oncology, including techniques such as Transarterial Chemoembolisation (TACE), Selective Internal Radiation Therapy (SIRT), and microwave ablation. His proficiency extends to procedures like fibroid embolisation and uterine artery embolisation for postpartum haemorrhage. Additionally, he excels in Hepato-Biliary Interventions such as Percutaneous Transhepatic Biliary Drainage (PTBD) and Biliary Stenting, as well as Gastro-Intestinal Interventions like Transjugular Intrahepatic Portosystemic Shunt (TIPSS) and Balloon-Occluded Retrograde Transvenous Obliteration (BRTO). For his outstanding medical expertise over the years, Dr. Yadavali is thus regarded as the best interventional radiologist in Bangalore. Dr. Yadavali also specialises in

haemo-dialysis access, fistula intervention, and complex central vein recanalisation procedures. His expertise extends to urological interventions, including ureteric stenting, varicocele embolisation, and nephrostomy. He is highly skilled in ultrasound and CT-guided biopsy & drainage, peripheral vascular interventions such as angioplasty and stenting, and endovascular aneurysm repair for aortic aneurysms. Furthermore, he possesses knowledge and experience in musculoskeletal Interventions and emergency embolisation for bleeding cases. Dr. Yadavali's proficiency in multiple languages, including English, Telugu, Kannada, and Hindi, allows him to effectively communicate with patients from diverse backgrounds, facilitating a higher level of care and understanding. He is a foremost consultant in interventional radiology in Old Airport road, Bangalore. Throughout his career, Dr. Yadavali has received numerous accolades and achievements. He is a fellow of the Royal College of Radiologists (London) and a member of the Royal College of Surgeons (Edinburgh). He is also a Karnataka Medical Council and General Medical Council (London) member. Notably, Dr. Yadavali was awarded a Gold Medal in General Surgery during his time at Sri Devaraj Urs Medical College. He also achieved the highest overall marks in his Final MBBS examination, highlighting his exceptional academic performance. As an Adjunct Professor of Radiology at Manipal University, he actively contributes to the education and training of aspiring medical professionals. Dr. Yadavali has also authored book chapters in renowned textbooks such as Grainger & Allison's textbook on radiology and ‘Radiological interventions in Obstetrics and Gynaecology’, further cementing his reputation as an expert in his field. Dr. Yadavali's contributions extend beyond his clinical practice. He serves as a journal reviewer for prestigious publications such as CVIR (Europe), Clinical Radiology (London), and JCIR (India) Journals, contributing to the advancement of medical knowledge and research. He has also delivered several presentations at both national and international conferences, sharing his expertise and insights with fellow professionals in the field.

Fellowship & Membership

- European Board of Interventional Radiology (EBIR).
- Fellow of Royal College of Radiologists (London).
- Member of Royal College of Surgeons (Edinburgh).
- Karnataka Medical Council, General Medical Council (London).

Field of Expertise

- Interventional Oncology – TACE, SIRT, Microwave Ablation
- Fibroid Embolisation, Uterine artery Embolisation for PPH
- Hepato-Biliary Interventions – PTBD and Biliary stenting
- Gastro-Intestinal Interventions – TIPSS, BRTO
- Haemo-Dialysis Access, Fistula Intervention, Complex central vein recanalization
- Urological Interventions – Ureteric stenting, Varicocoele embolization, Nephrostomy
- Ultrasound and CT-Guided biopsy & drainage
- Peripheral Vascular Interventions - Angioplasty, Stenting
- Endovascular Aneurysm Repair for Aortic aneurysm
- Musculoskeletal Interventions
- Emergency embolization for bleeding

Languages Spoken

- English
- Telugu
- Kannada
- Hindi

Awards & Achievements

- Gold Medal in General Surgery (Sri Devaraj Urs Medical College).
- Highest overall marks in Final MBBS.
- Adjunct Professor of Radiology, Manipal University.
- European Board Certified in Interventional Radiology.
- Past Chairman Membership & Rules Committee (British Society of Interventional Radiology).

Talks & Publications

- Book chapter in prestigious Grainger & Allisons textbook of radiology.
- Book chapter on Fibroid embolisation in ‘’Radiological interventions in Obstetrics and Gynaecology.
- Interventional radiology Journal Reviewer for CVIR (Europe), Clinical Radiology (London), and JCIR (India) Journals.
- Several presentations at National and International conferences.
