

DR. SOUJANYA SHETTY

Consultant - Anaesthesiology

Qualification

MBBS | DA (Anaesthesia) | DNB (Anaesthesia)

Overview

Dr. Soujanya Shetty is a renowned anaesthesiologist who is also considered to be one of the best anaesthesiologists in Bangalore. She has more than 15 years of experience to her name and is a hugely trusted name in the fraternity. Currently, she is employed as a consultant of Anaesthesiology with Manipal Hospitals, Old Airport Road, Bangalore. Proficient in languages such as Kannada, Hindi, English, and Tulu, the doctor is someone who ensures that she can communicate with people from vast backgrounds. She is renowned for her attention to detail, precise diagnoses, and compassionate care of her patients. She has handled many challenging medical situations. Dr. Soujanya Shetty also is largely known for her prolific grasp of her areas of expertise. The doctor specialises in anaesthesia, with the exception of cardiac anaesthesia, and has a particular interest in regional anaesthesia and labour analgesia. Having achieved various accolades in her vast career, the doctor is also a member of the Indian Society of Anaesthesiologists (ISA). Her compassionate approach and intense knowledge of the subject are believed to be the primary reason for her thriving career.
