

DR. PARAMESWARA GUNDAPPA

Consultant - Anaesthesiology

Qualification

MBBS | MD (Anesthesiology) | FICA | FNACC

Overview

Dr. Parameswara Gundappa is an experienced anaesthesiologist in Bangalore, currently practicing as an Emeritus Consultant - Anaesthesiology at Manipal Hospital Old Airport Road. With over 3+ decades of professional experience, Dr. Parameswara Gundappa has established himself as a top anaesthesiologists in Bangalore, known for his expertise in Neuro-anesthesia, Trauma Management, Critical Care, and Advanced Pain Management. Dr. Parameswara's journey in medicine began with an MBBS degree from Bangalore University, followed by an MD in Anaesthesiology from the prestigious All India Institute of Medical Sciences, New Delhi. His dedication to academic excellence is further exemplified by his Neuroanaesthesia and Critical Care Fellowship (FICA and FNACC), awarded by the Indian Society of Neuroanaesthesiology and Critical Care (ISNACC). Over the years, he has continued to expand his knowledge through various specialized programs, ensuring his skills remain at the forefront of modern anesthesiology practices. Dr. Parameswara’s proficiency extends to managing critical cases, ensuring patient safety during complex surgical procedures, and delivering personalized perioperative care. To

optimize patient outcomes, he is highly skilled in utilizing advanced techniques and technology, including comprehensive trauma life support systems. His commitment to precision and safety has earned him a reputation for handling the most challenging anaesthetic cases confidently and excellently. In addition to his clinical expertise, Dr. Parameswara Gundappa has made significant contributions to the academic field of anaesthesiology. He has been a professor of Anaesthesia, Neuroanaesthesia, and Critical Care and an educational coordinator for MD and DNB programs, mentoring the next generation of anaesthesiologists. He has also been a reviewer for esteemed journals and a sought-after speaker at national and international conferences. His leadership in professional organizations, including the Indian Society of Anaesthesiology, the SAARC Society of Anaesthesiology, and the Indian Society of Neuroanaesthesiology and Critical Care, reflects his dedication to advancing the field and improving standards of care. Dr. Parameswara’s contributions extend beyond the hospital setting. He has coordinated numerous training programs on basic and advanced life support, pre-hospital care, and trauma management for healthcare professionals, paramedics, and the general public. He has been an instructor for the CTLS Course, conducted by the International Trauma Anaesthesia and Critical Care Society since 2007. His involvement in disaster management initiatives further highlights his commitment to community health and safety. Over the years, Dr. Parameswara Gundappa has been honoured with multiple awards for his outstanding contributions to anesthesiology, including a Lifetime Achievement Award and the Distinguished Professional Award in Neuroanaesthesiology. These accolades underscore his unwavering commitment to patient care and medical education excellence. As a compassionate medical professional, Dr. Parameswara prioritizes patient education and comfort. He ensures his patients and their families are well-informed about the procedures and treatments, fostering a supportive and reassuring environment. His ability to communicate complex medical concepts clearly and

empathetically has made him a trusted advisor for patients and peers.
