Overview

Dr. Divya Gupta is a paediatric dermatology consultant with extensive training. At the Jawaharlal Institute of Postgraduate Medical Education & Research (JIPMER) in Puducherry, India, she earned MBBS, MD, and DNB in dermatology. She graduated from Christian Medical College in Vellore with a fellowship in paediatric dermatology. Dr. Gupta has significant knowledge and competence in her profession. The diagnosis, counselling, and therapy of a variety of paediatric skin disorders, including atopic dermatitis, skin infections, psoriasis, vitiligo, alopecia areata, lichen planus, and different genodermatoses, are among Dr. Divya Gupta's specialities. She is well-equipped to manage complex cases and give her patients the finest care possible because of her experience and competence. She is the foremost consultant pediatric dermatologist in Oldairportroad, Bangalore. In addition to her credentials, Dr. Divya Gupta has won various accolades and awards for

her excellent contributions to the dermatological area. She has won numerous scholarships and honours, including the Galderma Post Graduate Academic Award at the 41st Annual National Conference of the Indian Academy of Dermatology, Venereology, and Leprology and the Imrich Sarkany Scholarship to attend the European Academy of Dermatology & Venereology Spring Symposium in Brussels, Belgium. For the same reason, she is considered the best paediatric dermatologist in Bangalore. Dr. Gupta has published several papers in esteemed national and international publications. Her work examines several topics in paediatric dermatology, such as the effectiveness of timolol in treating pyogenic granulomas, the efficacy of low-dose cyclosporine in treating recurrent Kimura's disease, and the reaction of keratosis follicularis spinulosa decalvans to isotretinoin. Dr. Gupta is a life member of various prestigious organisations such as the Indian Association of Dermatologists, Venereologists & Leprologists (IADVL), the European Academy of Dermatology & Venereology (EADV), and the International Society of Dermatology (ISD). As a member of these organisations, she stays current with the latest field developments and continues to enhance her knowledge and skills. Dr. Gupta knows several languages, including English, Hindi, Tamil, Bengali, and Kannada. Her capacity to speak with patients in their local language assists her in constructing severe strength areas for them, making it more straightforward for her to grasp their interests and give them the ideal consideration. Dr. Divya Gupta has also delivered speeches at various medical conferences and seminars. Her talks have covered hyperandrogenism and skin, multi-disciplinary care in epidermolysis bullosa, and many others. Her expertise in paediatric dermatology has made her a sought-after speaker at such events. Dr. Divya Gupta is a highly certified, experienced, and skilful pediatric dermatology expert. Her extensive knowledge, capability, and commitment to exploring have procured her a merited standing in the dermatological field. She is focused on giving her patients the best viable treatment, and her capacity to interface with them in their home language makes her a

favourite choice among parents and youngsters.
