

DR. JALAJA K R

Consultant - Anaesthesiology

Qualification

MBBS | DNB (Anaesthesia)

Overview

Dr. Jalaja K R is an accomplished and experienced anaesthesiologist with 14 years of expertise in the field. She currently serves as a consultant at the Manipal Hospitals, Old Airport Road, Bangalore, where she has earned a reputation as a leading expert in various specialised areas, including Neuroanaesthesia, experience in Anaesthesia for Hipec surgeries, Renal transplant anaesthesia, and Endoscopic Bariatric surgeries. Her unwavering commitment to providing top-quality care and ensuring that her patients receive the best possible treatment is evident in her reputation among her peers, patients, and the broader medical community. She is dedicated to providing high-quality and safe patient care, which is evident in her work. Dr. Jalaja is also an active member of several professional organisations, including the Indian Society of Anaesthesiologists, the Indian College of Anaesthesia, and the Indian Society of Neuroanaesthesia, which demonstrate her expertise and commitment to her field. She stays informed about the latest advancements in the field and actively contributes to the broader conversation about anaesthesiology by sharing her expert insights. The doctor has also managed the first case of HITHOC in the country and has made significant contributions to the field through publications such as "Residual neuromuscular blockade affects postoperative pulmonary function", published in Anaesthesiology 2012 and "Anaesthetic Management of EPP and HITHOC procedure" published in 2015 Dec. Her reputation for excellence is reflected in her being invited as Faculty by ISA, National Oncology Conference, and International Paediatric Airway Conferences, among others. The doctor has presented free papers and served as a co-author on many posters at National and International Conferences, showcasing her dedication and expertise in anaesthesiology.
