

DR. YOGESH GARG

Consultant - Urology

Qualification

MBBS | MS | M Ch | Urology

Overview

Dr. Yogesh Garg is a renowned urologist in Patiala, having more than 8 years of experience and numerous success stories to share. He completed his MBBS, MS and MCh in Urology. Dr. Yogesh Garg is currently associated with Manipal Hospital Patiala as a Consultant with the Department of Urology. He is an expert in Endourology, Paediatric Urology, Open Surgery, Laparoscopic Surgery, Genital and urethral Surgery, and Female Urology. His key areas of expertise are kidney/ureteric stones (PCNL, URS, RIRS) prostate diseases, laparoscopy and male sexual health disease. Dr. Yogesh specialises in the diagnosis and treatment of diseases and conditions of the male and female urinary tract and the male reproductive system. He has strong medical knowledge and skills, excellent surgical skills, and the ability to communicate effectively with patients and their families. He educates them about the procedure and answers all the concerns his patients may have regarding any aspect of the treatment so that they can make a confident and well-informed decision. Besides offering clinical excellence, Dr. Yogesh Garg also participates in seminars and events that are dedicated to the advancements in the medical world.

He can work independently and as part of a team if the case demands. Dr. Yogesh Garg has shared articles for Manipal Hospitals Patiala's official website and has appeared on various YouTube videos and events organised by the hospital to share medically correct information with the public. He believes in patients' rights, maintains confidentiality while handling their data and keeps communication with them transparent by answering all their concerns. Dr. Garg also abides by the motto of Manipal Hospitals which are: Clinical excellence, patient centricity and ethical practices. His positive feedback from the patients is a testament to his sincerity, compassionate behaviour and professionalism. He is fluent in Hindi, English and Punjabi.
