

DR. PARVINDERJIT SINGH KOHLI

Senior Consultant ENT Head & Neck Surgery

Qualification

MBBS | MS

Overview

Dr. Parvinderjit Singh Kohli is a highly reputed and experienced ENT head and neck surgeon in Patiala. He has years of experience in the field and has successfully treated patients from diverse geographical backgrounds. Dr. Parvinderjit is a specialist responsible for diagnosing and surgically treating conditions related to the ear, nose, throat, and head and neck tumours, including cancers, thyroid disorders, salivary gland issues, and reconstructive surgeries. He examines patients with conditions of the ear, nose, throat, and related head and neck structures. Dr. Parvinderjit orders and interprets diagnostic tests such as endoscopy, audiometry, CT/MRI scans, and biopsies to offer a personalised treatment plan to each patient. Dr. Parvinderjit is an expert at performing surgical procedures like routine ENT surgeries (e.g., tonsillectomy, septoplasty, mastoidectomy, tympanoplasty), complex head and neck surgeries, including: Neck dissections, Thyroidectomies, Laryngectomies, Glossectomies, Salivary gland surgeries, Endoscopic sinus surgery and skull base procedures. He also collaborates with oncologists, radiologists, speech therapists, and reconstructive surgeons in managing head and neck cancers with the

objective of providing comprehensive care. Dr. Parvinderjit participates in tumour boards, treatment planning meetings, and post-op rehab care coordination. He monitors recovery, manages complications, and provides rehabilitative support, including speech and swallowing therapy. Dr. Parvinderjit provides long-term surveillance for patients with malignancies or chronic ENT conditions. He is proficient in ENT and head and neck surgical techniques. Dr. Parvinderjit has excellent hand-eye coordination and surgical precision. He also has strong decision-making and leadership abilities. Dr. Parvinderjit also counsels patients, and his empathetic and effective communication with patients and families helps them feel confident and positive. In pursuit of gaining more knowledge on his subject, he actively participates in CMES and events that discuss the latest advancements and trends in his field. Dr. Parvinderjit also introduces new techniques and modifies his treatment approach to simplify and enhance the patient experience.
