

DR. SURINDER SINGH

Senior Consultant - General & Laparoscopic Surgery

Qualification

MBBS | MS | Surgery

Overview

Dr. Surinder Singh has over 41 years of rich experience in the fields of general surgery and laparoscopic surgery. Dr. Surinder has also served as teaching and clinical faculty at various Govt. Medical Colleges in Punjab. He is currently associated as a senior consultant with the Department of General & Laparoscopic Surgery at Manipal Hospitals Patiala. Dr. Surinder is a highly reputed and trusted laparoscopic surgeon in Patiala, Punjab. He can effectively communicate in Hindi, English and Punjabi and has treated patients from diverse geographical backgrounds. He is soft-spoken, sincere, compassionate and highly professional. Dr. Surnider's conduct is comforting for the patients and allows them to speak freely about their medical condition and raise concerns if there are any aspects of the treatment. Dr. Surinder also actively participates in national and international seminars that are dedicated to laparoscopic surgery. He is also renowned for his excellent contribution to the world of academics. Dr. Surinder is always keen on modifying his approach or adopting a new treatment approach if it enhances the patient experience. He also adheres to the values that govern and motivate everyone at Manipal Hospitals which are: clinical excellence, patient-centricity and ethical practices. He maintains the confidentiality of patients' data and transparency while communicating with the patients. Additionally, Dr. Surinder has been actively involved in speaking about health issues and presenting his research findings in several forums. He has also appeared in many video editorials, YouTube videos and online and offline campaigns conducted by Manipal Hospital. He believes that most medical conditions can be treated if people have the right medical information, thus he participates in all programs to disseminate accurate medical information to the public. He has garnered positive reviews from all his patients for his customised and holistic treatment approach.
