

## **DR. GURBAKSHISH SINGH SIDHU**

Senior Consultant - Medical Gastroenterology

### **Qualification**

MBBS | MD | DM

### **Overview**

Dr. Gurbakhshish Singh Sidhu, the gastroenterologist in Patiala, has more than 16 years of experience in the field of Gastroenterology. He completed his MBBS from the Govt Medical College Patiala in 1998, and then his MD from DMC Ludhiana in 2001. Dr. Sidhu completed his DM in Gastro from PGI Chandigarh in 2009. He has worked as a consultant in various reputed institutes of India, like SGPGI Lucknow and Sir Ganga Ram Hospital, New Delhi. He has been working as a Senior Consultant - Medical Gastroenterology with Manipal Hospitals Patiala for the last 10 years and is an asset to the organisation. Dr. Sidhu is self-motivated, passionate and sincere. He is always at the forefront to adopt any new technology or launch a new initiative that in any way eases the life of a patient. Dr. Sidhu specialises in treating GI disorders, ERCP, Endoscopy, Endoscopic ultrasound, and Colonoscopy. Being fluent in many languages, including English, Hindi, and Punjabi, Dr. Sidhu can communicate effectively with patients from a variety of geographical and cultural backgrounds. His ability to speak many languages enables him to understand them better, enhancing patient-centred treatment and fostering effective doctor-patient

communication. He is a well-known gastroenterologist in Patiala. Major medical journals and organisations have acknowledged Dr. G.S. Sidhu's great accomplishments. This distinction establishes him as a leader in his field by recognising his dedication to advancing medical knowledge and improving patient care. Last but not least, his outstanding reputation, remarkable accomplishments, and commitment to patient care are indicators of his position as a consultant in gastrointestinal sciences at Manipal Hospitals Patiala. Dr. G.S. Sidhu's strong interpersonal abilities, practical outlook, and holistic healing-focused individualised treatment plan set him apart from the competition. He adheres to the motto of Manipal Hospitals, which emphasises clinical excellence, ethical behaviour, and patient-centeredness. All of these characteristics are consistently reflected in Dr. Sidhu's daily interaction with his patients.
