

DR. GUNEET SINGH

Senior Consultant - Critical Care

Qualification

MBBS 2001 | DNB Anesthesia 2007

Overview

Dr. Guneet Singh is a senior critical care consultant in Patiala at the Department of Critical Care at Manipal Hospitals. He completed his MBBS in 2001, DNB Anesthesia in 2007, FNB (Critical Care Medicine) in 2011, EDIC (Glasgow) in 2012 and PGDHHM. Dr. Guneet is an expert in the management of all types of critically ill patients needing ICU care including mechanical ventilation, hemodynamic monitoring, and Renal Replacement therapy (dialysis) in the ICU. He has vast experience and training in Critical Care from India. In addition to this, he is also an expert in Respiratory-Critical Care and is an ACLS Trainer. Besides offering personalised care to the patients Dr. Guneet also actively participates in events, seminars and workshops that discuss the developments in the medical world. He introduces initiatives and modifies the existing processes to enhance the patient's experience. Dr. Guneet has been appreciated by all his patients for his compassionate conduct and sincerity. He collaborates with other healthcare experts, respiratory therapists, pharmacists, and other specialists to provide comprehensive care for their patients. Communicating with patients and families is very essential for him, which is why he provides his patients with a safe environment where they can discuss their medical concerns freely. Dr. Guneet also explains complex medical information to patients and families clearly and compassionately so that they can make confident decisions. Apart from the excellent care he offers, staying up-to-date on the latest medical advancements also keeps him occupied.
