

DR. RAKESH KUMAR THAKUR

Senior Consultant - Transfusion Medicine

Qualification

MBBS | MD (PATHOLOGY)

Overview

Dr. Rakesh Kumar Thakur is a distinguished senior consultant in the Department of Transfusion Medicine at Bhagwan Mahavir Manipal Superspecialty Hospitals, Ranchi. He brings with him over 13 years of clinical expertise in diagnostic pathology. Dr. Thakur completed his MBBS and then pursued an MD in Pathology from Rajendra Institute of Medical Sciences (RIMS) in Ranchi, Jharkhand. Dr. Thakur has gained substantial hands-on experience in diagnostic pathological procedures through previous roles at renowned institutions. These include FNAC (routine and USG/CT guided), Hematopathology, Histopathology, and Cytogenetics. Dr. Thakur's strong academic foundation is backed by a strong clinical practice in pathology. He has also been an active member of the medical community throughout his career. Dr. Thakur has actively participated in national conferences such as JAPCON (Jharkhand Association of Pathologists Conference) and APCON (Annual Pathology Conference). In addition, his active participation in CMEs (Continuing Medical Education programmes) at AIIMS and other centres of excellence shows his dedication to the latest developments in Pathology. Dedicated to academic growth, he has presented a poster

on Squamous Cell Carcinoma of the breast at the Indian Academy of Cytologists (IAC) in 2007. In addition to his professional pursuits, Dr. Thakur is proficient in medical software. He enjoys reading pathology literature, playing badminton and cricket, and listening to Hindustani music. His fluency in English, Hindi, and Maithili proves his technical knowledge and ability to communicate with empathy, ensuring his patients receive complete care and support. Dr. Thakur is known for his diagnostic precision and commitment to quality reporting, contributing significantly to patient care in the region. He also takes an active interest in mentoring young medical professionals and staying abreast of advancements in pathological techniques. He is known for his patient-centred approach. Dr. Thakur's association with Bhagwan Mahavir Manipal Superspecialty Hospital, Ranchi, reflects his dedication to accessible and reliable pathology services in Ranchi.
