

DR. ANTRIKSH KUMAR

Consultant - Gastroenterology

Qualification

MBBS | MD | DM

Overview

Dr. Antriksh Kumar is an Associate Consultant in the Department of Gastroenterology at Bhagwan Mahavir Manipal Hospital, Ranchi. He has an extensive educational background, having completed his MBBS and a one-year internship from Mahatma Gandhi Memorial Medical College (MGMCH), Jamshedpur, in December 2010. He further pursued an MD in Medicine from the All India Institute of Medical Sciences (AIIMS), New Delhi, graduating in December 2014. His academic journey culminated with a DM in Gastroenterology from the Post Graduate Institute of Medical Education and Research (PGIMER), Chandigarh, in December 2020. Dr. Kumar's additional work experience includes serving as a Senior Resident in Medicine for 22 months and a Post DM Senior Residency in Gastroenterology for an additional nine months. His areas of interest are luminal gastroenterology and pancreato-biliary interventions. Dr. Kumar's research experience is noteworthy, with his MD thesis focusing on the clinical, investigative, and therapeutic profile of patients presenting with hemoptysis, and his DM thesis exploring the utility of 18 F-FDG PET/CT findings in assessing activity in microscopic colitis. He is an

active member of the Indian Society of Gastroenterology (AF) and has contributed significantly to the field through various publications. His notable works include studies on visceral scalloping in pancreatic ascites, third space endoscopy, diverticular per oral endoscopic myotomy (DPOEM) for esophageal diverticular disease, and polymorphisms in thiopurine-induced leucopenia in inflammatory bowel disease, among others. His research has been published in respected journals like Pleura Peritoneum, Surg Laparosc Endosc Percutan Tech, Esophagus, BMC Gastroenterol, Dysphagia, Journal of Digestive Endoscopy, and Aliment Pharmacol Ther, with impact factors ranging from 1.72 to 8.17. Dr. Kumar’s dedication to advancing gastroenterology is evident in his continuous engagement in clinical research and his commitment to providing specialized care in his field.

Fellowship & Membership

- Indian Society of Gastroenterology (AF).

Languages Spoken

- Hindi

Awards & Achievements

- MD Thesis on Clinical, investigative and therapeutic profile of patients presenting with hemoptysis.
- DM Thesis on 18 F-FDG PET/CT findings in microscopic colitis and its utility in assessment of activity in microscopic colitis.
