Overview

Dr. Rohit Kumar Sengar, HOD in the Department of Emergency Medicine at Bhagwan Mahavir Manipal Hospitals, Ranchi, is an emergency physician with over 8 years of experience in delivering high-impact emergency care. Holding an MBBS degree since 2011 and a Master's in Emergency Medicine (MEM) awarded in 2018, Dr. Sengar is a dedicated member of the Society of Emergency Medicine, India, and has earned a reputation for excellence in managing complex, life-threatening medical scenarios. His core competencies span rapid assessment and triage of undifferentiated symptoms, expert-level resuscitation techniques for cardiac arrest, trauma, and respiratory failure, and swift, accurate diagnosis of acute medical, surgical, and traumatic conditions. Adept in the immediate treatment and stabilisation of critically ill patients, he is proficient in a wide range of life-saving procedures, including airway management (intubation and ventilation), CPR, defibrillation, IV and central line insertions, advanced wound care, fracture and dislocation management, chest tube insertion, lumbar puncture, and point-of-care ultrasound. Dr. Sengar is known for his holistic approach in managing patients of all age

groups—from neonates to geriatrics. His deep-rooted knowledge across specialities like cardiology, pulmonology, neurology, toxicology, surgery, and paediatrics enables him to handle high-pressure situations with medical precision. Furthermore, he has specialised training in EMS oversight, disaster preparedness, pain and palliative medicine, sports medicine injury management, and medical toxicology, bringing a comprehensive, multidisciplinary outlook to emergency healthcare. His communication skills are crucial in delivering clear, empathetic guidance to patients and their families during emotionally charged moments. His skill set in intubation, trauma care, toxicology, and full-spectrum emergency procedures reflects his role as a pivotal figure in modern emergency care delivery, making him one of the most trusted and sought-after emergency physicians in Ranchi.
