

DR. VINOD KUMAR

Consultant - Paediatrics

Qualification

MBBS | DCH | Fellowship in Neonatology | PGPN

Overview

Dr. Vinod Kumar is a highly skilled Consultant in the Department of Paediatrics at Bhagwan Mahavir Manipal Hospitals, Ranchi, specialising in neonatology, paediatric nutrition, and critical infant care. With an MBBS, Diploma in Child Health (DCH), Fellowship in Neonatology (FIAP), and a Post Graduate Certificate in Paediatric Nutrition (PGPN), he brings extensive expertise in diagnosing and managing paediatric illnesses, neonatal intensive care, and high-risk deliveries. Dr. Kumar is proficient in advanced neonatal interventions such as umbilical venous catheterisation, central line placement, exchange transfusion, chest tube insertion, peritoneal dialysis, high-flow nasal oxygen therapy (HHFNO), and ventilation management, ensuring the best possible care for newborns. His expertise extends to neonatal resuscitation, emergency paediatric procedures, and the management of critically ill infants in the NICU and maternity wing. With excellent organisational and communication skills, he collaborates closely with paediatric cardiologists, enhancing cardiac care for infants and children. Dr. Kumar is dedicated to delivering comprehensive, evidence-based paediatric care, ensuring optimal health outcomes for newborns and

children.
