Overview

Dr. Aman Sainky is a Consultant in the Department of Obstetrics and Gynaecology at Bhagwan Mahavir Manipal Hospital, Ranchi, with extensive expertise in high-risk pregnancies, infertility (IVF), laparoscopic, and minimally invasive surgeries. She holds an MBBS degree from Mahatma Gandhi Institute of Medical Sciences, Jamshedpur, obtained in 2010, and completed her DNB in Obstetrics and Gynaecology from Sir Ganga Ram Hospital, New Delhi, in 2017. She further honed her skills as a Senior Resident at VMMC and Safdarjung Hospital, New Delhi, in 2021, and earned a Fellowship in Minimal Access Surgery (FMAS) in 2023, along with a Credential IMS Menopause (CIMP) in the same year. Dr. Sainky's clinical proficiency includes managing complex cases of recurrent pregnancy loss, pubertal disorders, PCOD, endometriosis, gyne-endocrinology, lactation problems, chronic pelvic pain, hysteroscopy, gyne-oncology, and menopausal disorders. She is also adept at performing hysterectomies, laparoscopic tubal ligations, pelvic reconstructive surgery, and managing urinary tract infections and incontinence. Her thesis on fetal growth restriction and associated perinatal outcomes reflects

her research acumen, with publications in esteemed journals such as the Journal of Fetal Medicine. Dr. Sainky has presented posters on rare gynecological cases and participated in numerous national conferences, including the Annual Conference of the Association of Obstetricians and Gynecologists of Delhi and the National FOGSI Conference on Women's Reproductive and Sexual Health. Her commitment to continuous learning is evident through her participation in various workshops and CME sessions, covering topics from diabetes in pregnancy to endoscopic techniques. As an ex-registrar and a former senior resident, Dr. Sainky's experience spans several reputable institutions, enhancing her practical and theoretical knowledge of surgical procedures. She is an active member of professional bodies such as the Association of Minimal Access Surgeons of India (AMASI) and the Association of Obstetricians and Gynecologists of Delhi (AOGD).
