

DR. ARNAB ROY

Consultant - Emergency Medicine

Qualification

MBBS | MEM

Overview

Dr. Arnab Roy is a Consultant in the Department of Emergency Medicine at Bhagwan Mahavir Manipal Hospitals, Ranchi. He holds an MBBS degree with extensive experience spanning various departments such as Gynaecology, Surgery, Medicine, Paediatrics, Ophthalmology, and ENT. His involvement in numerous seminars, workshops, and health camps underscores his dedication to enhancing healthcare delivery and patient management. Dr. Roy is adept in patient counselling, diagnosing, and managing clinical problems, reflecting his active participation in the healthcare system. His advanced skills include Basic Life Support (BLS), Advanced Cardiac Life Support (ACLS), Pediatric Advanced Life Support (PALS), Advanced Trauma Life Support (ATLS), and Disaster Management in ICCU/ITS. His basic skill set is comprehensive, encompassing rotatory internships across multiple medical departments, community and clinical experience, hospital management, OPD services, assisting in surgeries, patient counseling in family planning and MCH, and emergency services management, including intubation and CPR for critical cases like head injuries, BPH, trauma, and respiratory depression. Academically, Dr.

Roy has a Master's in Emergency Medicine (M.E.M) from George Washington University (2019) and an MBBS degree. His projects have seen him take leadership roles in community diagnosis, micro health projects, family health exercises, field management, and hospital management. Dr. Roy has also earned accolades, such as winning the Society of Emergency Medicine West Bengal Chapter EM Conclave Quiz Contest. His commitment to rural healthcare is evident through his assistance in health camps organised by POWER (People's Organisation for Welfare Education and Rehabilitation) in Jharkhand. Beyond his medical endeavours, Dr. Roy has actively participated in sports tournaments and music competitions, winning prizes in inter-school science exhibitions and debates.
