

DR. RAKHI JHA

Consultant - ENT

Qualification

MBBS | D.O.R.L | DNB (ENT)

Overview

Dr. Rakhi Jha is an accomplished ENT specialist in Ranchi, renowned for her sharp decision-making abilities, calm and diligent approach in high-pressure emergency situations, and deep empathy that fosters trust with patients. With over a decade of clinical excellence, she excels in diagnosing and managing common ENT diseases, assisting specialised surgeries like laryngotracheal reconstruction, flap surgeries, and maxillectomy, and performing procedures such as tracheostomy, septoplasty, Fess, Vocal Cord Surgery, tympanoplasty, and mastoid exploration. A resilient team player with exceptional communication skills, she collaborates seamlessly across multidisciplinary teams while prioritising patient-centric care. Always eager to learn, Dr. Jha actively participates in field-related seminars to gather global trends and initiatives, enhancing patient experience through innovative practices. Her progressive career includes roles as Assistant Professor at SMBT Medical College and Hospital, Nashik (May 2023–Feb 2025); Senior Resident (ENT) at MCD New Delhi (July 2022–Feb 2023 and July 2020–July 2022); PG Bonded Senior Resident in ENT at Rajawadi Hospital, Mumbai (Jan 2020–July 2020); Senior Resident in ENT at

Topiwala National Medical College and BYL Nair Hospital, Mumbai (Sep 2019–Jan 2020); Resident Doctor in ENT at Govt Medical College, Nagpur (May 2017–2019); Blood Transfusion Officer at JJ Hospital, Mumbai (March 2015–March 2016); and Compulsory Rotary Intern at Govt Medical College, Dhule (March 2013–March 2014). Academically distinguished, she holds an MBBS from Shri Bhausaheb Hire Govt Medical College, Dhule, Maharashtra (2014); DORL from Govt Medical College, Nagpur (2019); and DNB ENT from St. Stephen’s Hospital (July 2022). Dr. Jha's commitment to infection control, surgical precision, and holistic patient care positions her as a trusted leader in otorhinolaryngology.
