

DR. CHINNU JOMI

Consultant - Medical Oncology

Qualification

MBBS | MD | DrNB (Medical Oncology) | ECMO | MRCP (SCE) (UK)

Overview

Dr Chinnu Jomi is a skilled and compassionate medical oncologist currently associated with Manipal Hospitals, Rangapani. She brings rich experience from her previous practice at Manipal Hospitals, Bangalore, where she was actively involved in treating complex cancer cases. She specialises in the management of solid organ cancers, blood and lymphatic cancers, and Bone Marrow/Stem Cell Transplantation (BMT). Known for her clinical precision and patient-first approach, Dr Jomi believes in combining scientific accuracy with empathetic care. Her medical journey began in 2014 with an MBBS from Government Medical College, Calicut. She went on to complete her MD in Radiation Oncology from Christian Medical College, Ludhiana, in 2019, earning a Gold Medal as the university topper. She then pursued DrNB in Medical Oncology at Manipal Hospital, Old Airport Road, Bangalore, from 2020 to 2023. She is the best medical oncologist in Rangapani. An active academic, she has represented and won at several national-level oncology quizzes. She also contributes to ongoing research and has published in reputed medical journals. Fluent in English, Hindi, Kannada, Malayalam, and Tamil, she communicates effectively with

patients from diverse backgrounds. At Manipal Hospitals, Rangapani, Dr Chinnu Jomi continues to offer comprehensive cancer care backed by strong academic training and clinical experience.
